2019 Member Event Introduction

After our first full year with our new champion bermuda greens we are looking forward to hosting another full event schedule in 2019. With your comments and suggestions, as well as help from the member advisory board, we have once again put together a strong schedule of events for you to partake in.

There have been several improvements to the facilities in 2018 and early in 2019 and we have even more scheduled for later in the year. Some of our planned improvements that will take place this year are adding an awning and fire pit over the back patio, putting in place a continuous mat system for the range, cart path improvements, and replacing several railroad ties throughout the course. We have also removed additional trees around the greens complexes to help provide better sunlight to the greens. As you can see there is a lot of work going on at Wildwood Green in order to improve our services and the experience of being a member!

We have many great events scheduled this year and in the past we have always focused much of our attention on our golf events however, this year will be different. We have expanded our social event options for evening dining and your social experience. We hope everyone enjoys our robust member events schedule this year and play as much golf as you ever have in 2019!

Thank you so much for being a member at Wildwood Green Golf Club and please help us by continuing to fill out comment cards. Let us know how we can continue to improve our events as well as your experience as a member.

Sincerely,

Jeff Engelhaupt, PGA
General Manager

To sign up for an event please see a golf shop employee.

Fill out a comment card to let us know what formats you are interested in.

 Half Price Guest Day.....Saturday, December 21st
 Christmas Eve Shotgun.....Tuesday, December 24th

Tournament Information, Flighting Information, & Regulations

The **Golf Shop staff will only be entering "Tournament" scores** for event participants throughout the year. Tournament scores will be recorded for Wildwood Green major golf events such as the Spring & Fall Member-Member and the Club Championship. The major events are in **bold** on the event schedule.

All non-tournament event scores will be posted by the competitor and **should not** be recorded as tournament scores.

Gross Payouts – Gross will only be paid out if there are 3 or more payouts for field or flight

Net handicaps when playing your own ball with a partner(s) will be reduced by 10% or 5% depending on your gender. 90% of the course handicap will be used for male competitors and 95% of the course handicap will be used for female competitors.

If the difference between the two teammates' course handicap is 8 or more strokes after the 10% or 5% Allowance, we will subtract an additional 10% from both players.

50% of the male competitor's course handicap will be used and 55% of the female's course handicap will be used in a **Texas Scramble format**.

10% of the combined team course handicap will be used in an **18 Hole Scramble format**.

5% of the combined team course handicap will be used in a **9 Hole Scramble format**.

During **individual competition** events each player will receive 100% of their course handicap.

During **match play events**, each competitor will receive 100% of their course handicap and then the low course handicap will play as a 0 and the higher course handicap will receive the difference in strokes. All strokes will be allocated according to the USGA.

Each competitor's **set of tees** to be played will be assigned to the competitor based on the set of tees most commonly played from in their most recent handicap revision.

In the event other courses have been played, the staff will assign a tee based on the other course's rating closest to that of a set of tees at Wildwood Green.

Events will definitely be flighted in the Spring & Fall Member-Member events as well as the Club Championship. For other club events flights will depend on field size. When there are 15 or more teams (30+ competitors) flights will be created and broken down as evenly as possible.

Flight Basis: 75% of the low index plus 25% of the high index will be used to flight the teams.

2019 Member Golf & Social Event Dates by Category

These are our reoccurring events listed by category and the dates have potential to change.

Social Events

We have many social events planned this year. Our goal is to eventually become a private facility so we are going to host more social events while working towards our goal. The most popular social event we hold year after year is our poker nights which are scheduled throughout the fall and winter months. We will be trying out some new social events at Wildwood Green this year such as themed dinner nights, new member socials, and much more. With golf and social events scheduled year round; your enjoyment at the club never ends! If there are any social events that you would like to see added to our event schedule please fill out a comment card with your requests. More information about a few of these special social events can be found below.

Poker Night: The game of Texas Hold 'Em is played at all of our scheduled poker nights. The participants will be the dealers for the games throughout the evening. Food and drinks are not included in the entry fee but will be available to purchase throughout the night.

Themed Dinner Nights: Once per month on a Friday we are planning to host a themed dinner event. These dinner nights will feature different menus throughout the year and signups will be taken in the golf shop. The price range will vary between \$10 and \$20 per person depending on the menu selected. Be sure to sign up and avoid the crowd downtown by attending our dinner nights!

Couples Golf

We host our Couples Golf Tournaments throughout the Fall, Spring and Summer seasons. These 9-hole golf events are always a fun way to meet other couples at the club. We have had incredible participation over the past few years and it seems that every year the participation grows and it has turned into our most popular 9-hole competition. Our Couples events are held Sunday evenings and then followed by a delicious dinner either provided by Champions Grille or catered.

The format for most of our couple events is a four person team, net captain's choice. Two couples will be paired together and a percentage of their team handicap is factored in to get their final net score. During the golf tournament we host proximity games for both men and women and prizes will be available for each. Spouses who do not play golf are welcome to join us for dinner after play for a small fee. We hope to see all the couples out at these events this year!

2019 Wildwood Green Major Events
Spring Member-Member
Saturday, May 18th - Sunday, May 19th

Wildwood Green will kick off their 2019 Majors with the Spring Member-Member. This is a two-person team event with a format of 1 gross plus 1 net. Flights will be determined by using 75% of the low handicap index and 25% of the high handicap index of the team. Teams can be made up of either men or women or a mixture of both. Course handicaps will be calculated based on the tee played by each golfer. To accompany the championship matches, there will be an optional team skins game and hat pool offered for the weekend.

This first Major of the year is always a great value as the event features a Friday night pairings party, two days of competition, proximity games, breakfast and lunch both days, and an awards ceremony on Sunday afternoon. Be sure to not miss out on this exciting team competition by marking the date on your calendar now!

**2018 Spring Member-Member
 Overall Champions:
 Bakre Abdul & Carl Pridgen**

**2018 Overall Club Champions:
 Kelley Taylor & Lennie Barton**

Club Championship
Saturday, June 8th & Sunday, June 9th

The most prestigious title at Wildwood Green has to be the title of Club Champion. This two-day stroke play competition, which sees the club's best golfers, will undoubtedly see great scores again in 2019. The Club Championship will be flighted by age and then by handicap. Flight size is solely dependent on how many people sign up in the age division. No handicap will be used in competition and men and women will compete in separate flights.

We will also host a net division Club Championship and anyone who has a GHIN handicap is allowed to compete in the net division. The net division will not be broken down into flights instead it will be created with one big flight. The difference in tee ratings will be factored in to the handicaps however, to be crowned the overall men's or women's champion, you must play from the blue tee markers and the red tee markers respectively and in the gross division

2019 Wildwood Green Major Events Continued

Ryder Cup Annual Event

Saturday, August 3rd & Sunday, August 4th

For the second time in our events line-up, we will be hosting a Ryder Cup Golf style tournament. The Ryder Cup is a 36-hole match play event which features two days of competition. This event will consist of 4 different matches played throughout the two days and 4 separate 9-hole competitions occur with players accumulating points for their team by winning or tying their match. The team with the most points after the completion of the four matches wins! The event will be open to the first 32 players who sign up. The two, 16 person teams will be created by the golf shop based on the player's handicap indexes. A captain will be designated on both teams who will be in charge of creating the matches and pairings for their respective team. Don't miss out on this extraordinary event!

Fall Member-Member

Friday, October 12th - Sunday, October 13th

Our highly anticipated and most popular event will be held at the end of September. The format for the Fall Member-Member is five, nine hole matches. There will be three matches played Saturday and two matches played on Sunday. Teams can be made up of either men or women or a mixture of both. The two-person teams will be flighted according to 75% of the low handicap index and 25% of the high handicap index each flight will have a max of six, two person teams.

Each person will play their own ball for each hole. The lowest net score on each hole will win between the two teams. One point is available on each hole and one point for winning the match (10 points per nine holes). Holes may be halved and a 9-hole match may end in a tie at 5 points for each team. The team with the most points after the five matches, from each flight, will compete in a sudden death playoff for the title of Overall Member-Member Champion. Also, just like the Spring Member-Member, we will offer an optional hat pool to participate in. Grab your partner and sign up early as this event always fills up quickly!

**2018 Fall Member-Member
Overall Champions:
Howard Ireland
& Ray Griffin**

50/50 Weekly Member Raffle

We will host a 50/50 weekly member raffle in order to help raise money for improvements around the Wildwood Green facility. We are currently working towards an awning and fire pit for the back patio. Other improvements will be determined from customer comment cards and what is feasible for the club to accomplish.

The drawing will occur at 4:00 PM each Friday throughout the year. There is one poker chip per membership in the bowl and each membership has been assigned a number which corresponds to what is written on the poker chip. Poker chips are placed into the bowl and a member will draw one chip from the bowl. Participants must pay their \$5 entry each week to be eligible to win. Each Friday when the chip is drawn we will check the number on the chip and then find out which membership that corresponds with. If the membership has paid their \$5 entry for that week, they win 50% of the pool. Each week Wildwood Green will take 50% of the entries. If the membership did not pay their entry that week and no winner is determined for the week, the money carries over to the next week. Members have the option to prepay their \$5 for the year if they would like.

2019 PGA Tour –Major Events

Every year we host Major Championship Pools at Wildwood Green in conjunction with the PGA Tour's major events. These individual net challenges will begin two weeks before the Major Championship's first round and payout will be in Wildwood Green gift cards. The final opportunity to enter the challenges will be on the Saturday (third round) of the major event at 12:00 PM noon. You may enter as many times as you want before the cut off paying \$5 each entry!

PGA Tour Major Event Pools - Rules and Information

Entry: \$5 - Members may enter as many times as they like (paying \$5 for each entry) from two weeks before the major event begins until Saturday (third round) of the major event at noon – A GHIN handicap is required for participation.

Format: Participants will use their full handicap and will turn in their attested scorecard to the golf shop following their round. Members who enter the pool must have an established GHIN handicap. The net score of the participant will then be added to a professional's (chosen by blind draw) third and fourth round scores. The winners will be determined by the low 54 hole score and payout will be in Wildwood Green gift cards.

The purse will be paid out in Wildwood Green gift cards as follows:

1st Place - 40%	Blind Draw Winner - 10%
2nd Place - 30%	PGA Event Winner - 10%
3rd Place - 20%	
4th Place - 10%	

PGA Major Event Schedule

The Masters: April 11th – April 14th
Augusta National: Augusta, Georgia

PGA Championship: May 16th – May 19th
Bethpage Black: Farmingdale, New York

U.S. Open Championship: June 13th – June 16th
Pebble Beach Golf Links: Pebble Beach, California

148th Open Championship: July 18th – July 21st
Royal Portrush Golf Club: Royal Portrush, Antrim, Northern Ireland

U.S.G.A Handicap Information

Wildwood Green Golf Club is a member of the Carolinas Golf GHIN System, a stroke control system for handicapping purposes. Handicaps are computed twice a month (1st and 15th) throughout the year. To allow our members to participate in the tournaments throughout our district, we must adhere to all CGA/USGA rules and regulations.

For a majority of the Wildwood Green events we require an established GHIN handicap. We require an established handicap in order to make the competition fair, create flights, or to create teams. If you do not currently have an established handicap and wish to set one up, a golf shop employee would be happy to help register you through the Carolinas Golf GHIN.

Posting Scores

After completing 18 holes, the player must enter his or her adjusted score in the handicap computer located in the Golf Shop. In addition, scores from other courses must also be entered into the computer for your handicap computation, using your adjusted score and the course slope and rating. If you have any questions concerning any of the above procedures, please ask one of the Golf Professionals for assistance. All 9 hole scores as well as all rounds of 13 holes or more are also required to be posted. If you play at least 13 holes, the remaining un-played holes, for handicap purposes, shall be recorded as par plus any handicap strokes that you are entitled to receive on the un-played holes.

Adjust your scores with Equitable Stroke Control (ESC)

Equitable Stroke Control (ESC) is the system which limits the number of strokes a golfer may report for handicap purposes. The way to adjust scores with ESC sets a maximum number that a player can post on any hole depending on the player's course handicap.

18 Hole Course Handicap:

9 or Less
10 to 19
20 to 29
30 to 39
40 or More

Maximum Score Posted on Hole:

Double Bogey
7
