Acers Club at Wildwood Green

A good investment even if you aren't feeling lucky! **For only \$5** you can join the acers club and if you make a hole in one during the season you will **win the pot in the form of a gift certificate to the club**....which may help cover all of the drinks you will have to buy! **The first hole in one made by someone that is in the Acers Pool will win the pot.** Once the pot is cleared you will need to repay your \$5 to be eligible for the next round of winnings.

To enter the Acers Pool just stop by the golf shop and let us know you want to get in, pay your \$5, and go play golf.
The only catch is that your hole in one will have to be contested by your playing partner.

Jeff Engelhaupt – General Manager

Dear Members,

It is hard the pollen is so bad right now. Clear skies are in sight as this can only mean one thing.....warmer weather is on the way!! The course will begin to turn green over the next two months as our 2019 event season comes full swing. Be sure you are checking the event booklet and schedule monthly to see what great events we have in store for you!

Beginning in April we have renamed our food and beverage operation from Bogey's Grill to Champions Grille. We have completed painting of the sitting area, bathrooms and locker rooms and we will soon hang our past and present champions to honor their great accomplishments. Along with a name change we have launched a new menu which will feature fresher, and tastier, items. Stop by for lunch one day and I am sure you will not be disappointed!

Rick Durham – Superintendent

One of the more common questions I am currently receiving is “when will the fairways green up”? Fairways, tees and rough has been in a dormant state since last November. Green up and recovery in these areas will begin when nighttime temperatures remain above 60 degrees for several days and soil temperatures reach 65 degrees at a 4 inch depth. Averages for March nighttime and soil temperatures are high 30’s to low 40’s. As we advance into spring significant changes occur mid to late May. If you look close some changes have already begun. Greens recover much quicker due to mowing height and soil temperatures are warmer because we have covered our greens when extremely cold. Hope this helps answer some of your questions. I look forward to seeing all of you out on the links. I can be reached at rdurham@wildwoodgreen.com

The Golf Academy at Wildwood Green

The spring season is off and running as **the current semester of Operation 36 is now in our third of 9 weeks.** There are still some openings in some classes and juniors can join at any time. Tuition for the semester can be prorated. **The Wildwood Green PGA Junior League team starts practice April 3** and our team is now full and the league schedule has been set. Information on these programs can be found on our Academy web site, raleighgolflessons.com. **The summer 9 week semester of Operation 36 will begin June 10 and specific class information will be on our web site shortly.** There will also be a 4 week "short session" beginning July 9. The fall semester will begin September 3. **Contact Jimmy Hamilton with any questions on these popular junior programs at the contact information below.**

Check out the adult lesson programs conducted by Jeff Glatfelter, PGA with three themed events under the 2019 Summer Instruction Series, Get Golf Ready class offerings and two Golf Bootcamp sessions listed under junior programming but available for adults.

Pamela Rogers is offering her two hour golf class sessions and you can contact her for specific dates, times and fees at 919-426-9553.

Contact us with any questions by calling Jimmy Hamilton at 919-906-1290 or hamgolf4u@gmail.com.

We are here to help you have more fun with your golf game!!!!
