Don Allen hda4653r@aol.com

Roger Watson – Owner

Hopefully you have enjoyed the snow and ice better than us here at Wildwood Green. There is not much we can do to a golf course that is under snow. But, tree removal, cleaning the clubhouse, cleaning Bogeys and other similar projects are underway. We really have a great staff now at Wildwood Green and I hope you enjoy the service. One major item I please ask you to use often, COMMENT CARDS. We appreciate your suggestions and comments! Thank you for your membership and support! Don't forget to lower your dues by sponsoring a new member(s) during the current drive. You will be entered into the drawing, during the last quarter of this year to win luggage, Ipad, video camera, cookware, free dues, cart privileges or an annual range plan.....you will receive entries for many different participations.....the overall value of these gifts exceeds \$6,000. What are you waiting on!

WILDWOOD GREEN GOLF CLUB

February 2016

Rick Durham – Superintendent

Cold temperatures have had a negative impact on the number of golf days; however the maintenance team at Wildwood has remained productive. We have added over 30 tons of sand to bunkers. Once conditions have thawed we will continue to monitor bunker depths and add sand as needed. Several trees that have not survived the past few seasons are being removed along with trimming overgrown limbs. This has a positive impact on turf by allowing more air flow and sunlight to reach the turf canopy. An electric valve has been installed on the driving range tee. This replaces the manual valve and now gives us the opportunity to water evenings and early mornings without disrupting practice and warm up times. The pump station is the heart of the irrigation system and without it working properly we would not be able to implement a solid agronomic plan. Our annual pump station service will also take place in the coming month. This service is considered an insurance policy to hopefully avoid a serious breakdown during the summer when water is at its highest demand. February can typically be one of our colder months so I would like to revisit frost delays. Now that ground temperatures have fallen frost delays will be more common thru February and into first week of March. Did you know that simply walking on frosted greens can damage the turf? The time for recovery cannot be determined. When there is a delay updates are made hourly so be sure to check in with the pro-shop for the latest update. Thank you for all your comments and suggestions and as always I can be reached via e-mail at rdurham@wildwoodgreen.com.

WILDWOOD GREEN GOLF CLUB

February 2016

Jeff Engelhaupt – General Manager

Dear Members,

I hope this crazy mix of weather has allowed you to get out and enjoy both the snow and sun! During January we hosted our annual member meetings and discussed a few topics that we are focusing on in 2016. To start the year we have launched our 30th Anniversary Membership Drive. **2016 marks our 30th anniversary** and we have created an enticing offer for your friends and colleagues to join Wildwood Green. If you sponsor a new member to **join before April 1st, 2016 you will be entered to win a grand prize of free dues for a year!**

Another big one of which is Pace of Play at the course. We will soon have **weekly or monthly pace of play tips** to focus on as well as different handouts that will help move along the pace here at Wildwood. I do want to remind you that we are rated to play at 4 Hours and 16 minutes for all 18 holes, not including time spent at the turn.

During the member meetings we also talked about the **Game Improvement Center** and the The Golf Academy at Wildwood Green. Jimmy Hamilton will be taking the title of Director of Instruction and he, Greg and Pam are here for all of your instructional needs!

Mindy has been hard at work this winter in setting a great schedule of events. If you haven't done so already, [view the event file on our website by following this link](#). **Be sure to sign up early as we have enacted a deadline of two days prior to each event.** This will help us with pairings and planning. Thank you for understanding!

I look forward to seeing you at the club soon!

Upcoming Events:

Sunday, February 7th

Super Bowl Shuffle

Tuesday, February 9th

Bingo Night

Tuesday, February 23rd

Texas Hold 'Em

WILDWOOD GREEN GOLF CLUB

February 2016

Mindy Glatfelter – Golf Shop Manager

It has been a cold couple weeks here at Wildwood Green. We are glad the sun has been out and now we finally have all 18 holes open for play and just in time for our Super Bowl Shuffle! Are you ready for some football? Sign up your foursome today for the Super Bowl Shuffle which will be held on Sunday, February 7th. There will be appetizers provided after the event and you'll be home in time to watch the Super Bowl kickoff! Will the Carolina Panthers be able to pull off the big win?

Our first Package Event is right around the corner, scheduled for March 19th! Don't forget to prepay your entry fees in order to save 50% off! It is only \$105 to enter into all 7 events throughout the season when you prepay. The entry fees include range balls before play, food after play, proximity games and gift certificates to the winners. The golf cart fee is not included in this prepay package. Our Package Event prepay forms are found at the golf shop counter.

Just as a reminder we have created a deadline to sign up for all member events. We ask that you sign up for any event two days prior to the day of the event. For example, if an event is scheduled for a Saturday, we ask that you already be signed up by that Thursday prior to the event. I would greatly appreciate if everyone could comply with this new rule so that we can be more organized and prepared for our member events. By signing up early, we may also be able to publish the pairings before the day of the event.

If you ever have any questions feel free to email me at mindy@wildwoodgreen.com.

February 2016

Jimmy Hamilton – Director of Instruction

Pam Rogers, Greg Greksa, and myself, Jimmy Hamilton, are excited to see the new year upon us. We are all anticipating the great spring weather and excited golfers. The new Game Improvement Center will feature practice training aids that we use every day in our Academy classes. We want to share these with you to use as you practice on the range. There will be a golf bag and display of various training aids on the range daily for you to use as you practice. Alignment guides, grip guides, putting aids, impact bag, clubface orientation guides, swing speed sticks, plus other basic items that will enhance your practice. A free standing mirror will also be available for use and will be mobile enough to move to where you are practicing. Use them and return them to the display area. If you have a question, ask any of us how something works. We will spend some time initially showing you how these aids can be used most effectively as we have time between appointments. It is our mission to help you enjoy your golf game and your time at Wildwood Green!

Watch for information coming soon on the return of Golf and Grapes and introducing Drives and Drafts!

The Golf Academy at Wildwood Green Launches Long Term Junior Academy

Families,

We are very excited about introducing the long term junior academy to our programming this year. We are dedicated to always improving our programs across the board and especially for our juniors. When we find something that we think will enhance and advance our juniors faster, we take action.

Starting this year we will be launching The Golf Academy at Wildwood Green Junior Academy! The Academy is structured using the Operation 36 Junior Development Platform. This platform is being used across the region and the country and consists of coaches, parents, and juniors all working towards the goal of shooting 36 or better for 9 holes!

Each junior that enrolls in the Academy will be issued an Op 36 Bag Tag and be set up in a profile in our Op 36 Academy Mobile App. The Op 36 Platform consists of 6 levels, and has a 12 subject curriculum that the coach will deliver throughout the Academy semesters. When the junior can demonstrate objectives learned to the coach, they will earn badges on their bag tag, and will be able to track and log their progress in the mobile app. Each achievement is tracked in a social activity feed and points are earned for completing objectives, as well as playing/practicing outside of class. To graduate from the Academy the junior must progress through all six levels and ultimately shoot 36 or better for 9 holes from their full tee box.

To learn more about the Operation 36 Junior Development Platform please go to iGrowgolf.com. We will be hosting a Parent Orientation on February 21 at 3pm to go over more details, and will begin registration on February 28. Spots will be limited to 5 per class to maintain a 5-1 student/coach ratio. Be sure to register with me and attend the orientation to ensure your junior has a spot for the Spring Semester. The Semester will start in April and run through June. We will take a summer break in July and start the Fall Semester in August through October. We are looking forward to a great season!

February 2016

We are Revamping the Adopt-A-Hole Program

Calling all Member and Leagues!

The purpose of the Adopt-A-Hole program is to help keep each hole and the practice areas in good condition and then reward the teams that maintain them the best.

We need 20 two person teams in order to have an outstanding program. The most important areas to concentrate on are ball mark repair, sanding divots, raking bunkers, trash, etc. Each quarter the holes and practice areas will be graded by the golf shop staff and the winning team and prizes will be announced by the golf shop staff. At the end of the year we will select the winning team who will receive a month of free dues or \$200 gift certificate. Thank you for your participation!

*Hurry in to choose your favorite hole,
they are going fast!*

Stop by the Golf Shop today to get signed up or email Joey at joey@wildwoodgreen.com with any questions!

Please help keep Wildwood Green looking better than ever!

WILDWOOD GREEN GOLF CLUB

February 2016

Member Accomplishments & Holes in One

Congratulations to the following members! ...

Bill Hanks had a Hole in One on #17 playing with the WildOats. He cleared the Acers Pool and received a gift certificate of \$40!

Jerry Bitzenhofer had a Hole in One on #12 playing with Howard Ireland from the Gold Tees. This is his third Hole in One on this course.

WILDWOOD GREEN GOLF CLUB

February 2016

Rule of Month

There recently have been changes to the USGA Golf Rules with a launch of the 2016 Rule Book

Rule: *Withdrawal of Rule on Ball Moving After Address* - Rule 18-2b (Ball Moving after Address) has been withdrawn.

Relief: This means that if a ball at rest moves after the player addresses it, the player is no longer automatically deemed to have caused the ball to move. A one-stroke penalty under Rule 18-2 will be applied only when the facts show that the player has caused the ball to move.

Scenario on Hole #12 at Wildwood Green: Your ball has stopped on the green of Hole #12. You then step up and address your golf ball to putt . If you do not hit the ball with your putter and an outside source such as the wind causes your ball to move, you will not receive a penalty stroke. Unfortunately, if you do accidentally hit your golf ball with your putter that does count as a stroke.
