Letter from the Owner

We have a great deal of planning going on during the down time. Another bad winter! It is beginning to seem like the norm rather than the exception! Enough of that! Spring will be here sooner than you think and we will be ready! I hope you may have already noticed some of the renovations around the clubhouse. We are currently obtaining proposals for an awning to cover part of the patio. THIS IS WHERE WE PLAN TO SPEND THE CLUB'S PORTION OF THE 50/50 MONEY. At this time it appears that the club's portion will cover about 40% or \$8,000 of the total cost. Thanks for your help on this!!!

We are discussing a lot of changes to member benefits and an exciting new membership drive. Details will be announced later for a March membership meeting and announcements regarding additional improvements.

Thank you for being a member!

Sincerely,
Roger Watson

Rick Durham – Superintendent

Winter finally showed up in January. Out of the 31 days greens were covered 14 days to protect from the cold harsh temperatures. The perfect number of people for us to cover is 10. It can be labor intensive and weather conditions are a factor when covering. High winds and rain forecast can force us to deploy tarps even when conditions are favorable for golf. Greens are number one priority and every precaution is being made to protect them. Hopefully February will offer better conditions and we will not need to cover again. During covered periods the maintenance team continues to complete task that will improve Wildwood Green. Tee signs, ball washers, benches and tee markers are being refurbished. Equipment is being serviced and sharpened in order to be ready for the growing season. Our tree removal project is nearing completion which will only help improve greens. I would like to thank you for all your comments and suggestions and as always I can be reached at rdurham@wildwoodgreen.com

What a great turn out last month 72 players for the Winter Member-Member! We are looking forward to Half Price Guest Day this month on Saturday, February 16th which is the same day we are also hosting member skins. Make sure to sign up for Poker Night on Thursday the 7th & Monday the 25th this month as well. Just a reminder that our next event is going to sneak up on us in the first week of March – The Tournament of Champions on Saturday, March 9th. If you were in the winners circle for any 18-hole event in 2018 make sure you sign up for this event!

Congratulations to Zach Seabolt who has now won back to back pro tour events on the Swingthought Tour (formerly Hooter's Tour). Winning by one shot over PGA Tour Alum Tommy "2 Gloves" Gainey with a final round 67 at The Dye Club in Myrtle Beach, SC & Winning by two strokes shooting a final round 65 at Eagle Creek in Orlando, FL. Great job Zach keep the ball rolling!

Tips from the Pro:

If you struggle with flipping and hitting the ball thin or heavy chances are you're not moving enough. If you don't move through the ball the only way to get the club around and through is to release your hands and flip into your finish.

The Fix:

Here is a drill for you. Stick a ball high on a tee a few inches closer to you than normal and in front of your left foot. Try and pull the club into the ball to hit low left line drives with a 6/7 iron. To pull the club into the ball and achieve the low left line drive you will have to move your body left and up to make this happen. If you're not doing it right you will hit it high in the air possibly with a slice or big hook which exposes your hands flipping and twisting instantly. This is a great drill to help promote the correct body moves and tame those hands from releasing into a flip!
