### Rick Durham – Superintendent

Officially winter started December 21<sup>st</sup> but our weather pattern lately feels more like September 21<sup>st</sup>. Warm temperatures and rainfall have resulted in fairways greening back up and greens are experiencing disease pressure. We have had to make some minor adjustments to our agronomic plan and delay some projects due to these conditions. We have managed adding sand to bunkers and more will be completed in the first part of January. Other areas of improvement to look for include tree removal, irrigation upgrades and improvements tree lined areas. I look forward to continued growth in 2016 and thank you for your comments suggestions. As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)

### Rule of Month

#### **Rule: #24 – 2 Immovable Obstructions**

Interference by an immovable man-made obstruction occurs when a ball lies in or on the obstruction or when the obstruction interferes with the player's stance or the area of his intended swing.

**Relief:** Except when the ball is in a water hazard or a lateral hazard a player may take relief from interference by an immovable man-made obstruction. If the ball lies through the green, the player must lift the ball and drop it, without penalty within one club-length of and not nearer the hole than the nearest point of relief.

The nearest point of relief may not be in a hazard or on a putting green.

**Relation to Hole #2 and #4 at Wildwood Green:** Some examples of immovable obstructions would be the steps on # 4 that go up to the green and the railroad ties that lie along the cart path on #2. If your ball lies on the steps on Hole #4 or lies up against the wood of the stairs which would interfere with your swing you may take free relief. You may take relief of one club length, no closer to the hole and you may NOT take that relief by dropping your ball onto the putting green.

**ANDREW REDINGTON/GETTY IMAGES** Arnold Palmer has played in 50 Masters and is still an honorary starter at Augusta.

The King was born 86 years ago. There's no record what Arnold Palmer weighed at birth, but there is no doubt he became one of America's true heavyweight sports figures. To paraphrase Rudyard Kipling, Palmer truly walked (and golfed) with presidents and kings but didn't lose the common touch. Here are a many reasons to celebrate Arnie:

1. He made hitching up your pants cool.
2. He brought big-time golf to Orlando, turning the sleepy Florida Citrus Open into the Arnold Palmer Invitational.
3. He signed a zillion autographs — all of them legibly.
4. He beat prostate cancer.
5. He served three years in the U.S. Coast Guard.
6. The Arnold Palmer Hospital for Children is ranked among "Best Children's Hospitals" by U.S. News & World Report.
7. JFK sent him film of his golf swing to critique.
8. In 49 years, he made \$1,784,497 on the PGA Tour.

9. In 2014, he made \$42 million in endorsements and other income, according to Forbes.

10. He went to the same high school as Fred Rogers from "Mister Rogers' Neighborhood."

11. He rallied from seven shots behind on the final day to win the 1960 U.S. Open.

12. He designed the first golf course built in China.

13. You can order an "Arnold Palmer" and restaurants worldwide will pour you a half-iced tea, half-lemonade.

14. He's still a member of the Latrobe (Pa.) Elks club.

15. He broke 100 for a round of golf when he was 7.

16. When Palmer turned 37, Dwight D. Eisenhower flew to Latrobe to deliver a surprise birthday greeting.

17. He met his first wife, Winnie, on a Tuesday and asked her to marry him four days later.

18. They were married 45 years until her death in 1999.

19. He played in 50 Masters.

20. He became a pilot to help overcome his fear of flying.

# WILDWOOD GREEN GOLF CLUB

## January 2016

21. He rode into a 2013 Wake Forest football game on the back of a motorcycle.
22. He was the last golfer to look debonair with a cigarette dangling from his lips.
23. He has a Congressional Gold Medal.
24. He has a Presidential Medal of Freedom.
25. He's the only sports figure to have both.
26. His grandkids called him "Dumpy."
27. He has 62 PGA Tour wins.
28. When archvillain Goldfinger was cheating while playing golf against James Bond in the 1964 film, Sean Connery's caddie said, "If that's his original ball, I'm Arnold Palmer."
29. He gave Kate Upton her first golf lesson.
30. He personally taught hundreds of pro golfers how to properly comport themselves.
31. His father was a lowly club pro, so Arnie wasn't allowed to swim in the club pool.
32. He swam in the creek that supplied the pool water and joked that he urinated in it.
33. He hung out with Frank Sinatra.
34. He really did drive that tractor seen in the Pennzoil commercials.
35. He helped start the Golf Channel.
36. He was honorary national chairman of the March of Dimes Birth Defects Foundation for 20 years.
37. He made eye contact with fans.
38. The Winnie Palmer Hospital for Women & Babies delivered 13,800 newborns in 2014.
39. Richard Nixon asked his advice on how to end Vietnam.
40. He was Associated Press Athlete of the Decade for 1960's.
41. He won seven majors.
42. Kirk Douglas was asked of all his famous acquaintances, who had the most personal magnetism? His answer: Arnie.
43. He loves bologna.
44. He worked as a paint salesman after getting out of the Coast Guard.
45. He has 13 streets named after him.
46. He doesn't expect people to call him "Mr. Palmer."
