WILDWOOD GREEN GOLF CLUB

July & August 2016

Roger Watson – Owner

We are nearing the end of our 1st phase of our improvement plan at Wildwood Green! We hope you are enjoying the results of these improvements and we certainly appreciate all the input from the members, especially the advisory board. We are currently formulating a new list of items to continue to improve the course, facility and service. In order to get some new ideas we are forming a more structured seven member advisory board. If you are interested in becoming a member of the advisory board, please submit your name in writing to Jeff Engelhaupt, before September 1, 2016. The term of each advisory board member is one year. However, a member can serve up to three consecutive terms. We thank all the current board members for their service. We could not have accomplished these recent improvements without their support.

We would like to point out a few issues that we can improve on. We are currently averaging over \$4,000 LOSS OF REVENUE WEEKLY due to no shows on the tee sheet. You can help by calling in to cancel times or adjust the number of players. We would like to spend this money on improvements! Pace of play is an issue when twosomes or threesomes are playing among foursomes and the course is full with golfers. PLAY READY GOLF!

We make every effort to keep your dues as low as possible, however we can not control fixed costs which continue to go up. We want to continue improving all services, facilities and the course. As you can see from the recent improvements the owners have spent over \$272,000. We have to make a small approximate 3% dues increase, effective August 1, 2016. However, you can prepay for 2017 and save 10% off dues, cart and range club, plus other free and discounts, if you pay in August. Thank you for your support! We hope you are proud of Wildwood Green and will recommend your friends, neighbors and others to visit and join the club. Would you like to pay no dues for a year and reduced dues for another year? Sponsor four new members! That is all it takes! Thank you for being a member! I want to add a big thank you to the entire excellent staff at the club. We are fortunate to have them here!

Rick Durham – Superintendent

2016 has gotten off to a good start as it pertains to the weather. We are now starting to see the standard July seasonal heat and humidity. Now that summer weather has arrived there are several agronomic practices that we will implement over the next few months to aid in the success of Wildwood Green. Hand syringing of greens will be one of the most important. Simply syringing a green can lower the canopy by 10 degrees or more. Please be aware that you may encounter one of our maintenance team members hand syringing frequently this summer. A simple wave and acknowledgement from the team members assures that we are all paying attention of approaching golf shots.

The course will be closed on Monday, August 22nd due to a small aerification. We will be doing a small aerification on all of the greens. This helps the roots grow deeper providing a healthier plant. This aerification will not be very disruptive which means the greens will heal fast.

New fans on #3 and #9 will be turned on during hot humid days. The fans can also cool and circulate air which benefits the cool season bentgrass. All bermuda grass is off to a healthy start. We will be consistently aerifying high traffic areas over the next few months along with a fertility program that will promote healthy strong turf. Thank you for all your comments and as always I can be reached via e-mail at rdurham@wildwoodgreen.com.

Jeff Engelhaupt – General Manager

Dear Members,

It is an exciting time of year with the golf season in full swing! We are having great luck with the weather and personally, I think this is the best the course has looked at this time of year since I have been here. We are hearing thoughts like this echoed from all of you as well! We appreciate you taking time to fill out and return comment cards and you expressing what you would like to see improved around the facility. Continue to do so on a regular basis as our comment cards are gathered every Monday and distributed to the managers so that we know where we can improve at.

Our event season is roughly half way through and we recently hosted the Club Championships. Congratulations to our defending Women's Club Champion, Denice Short. She has successfully defended her title and it will be an interesting time next year as she looks to 3-peat. Congratulations to our men's Club Champion Lennie Barton! This is not Lennie's first title as Club Champion as he has had success over the past years in this tournament. Lennie will look to defend at next year's event. I also want to thank this year's participants in general. We heard numerous positive comments and appreciate all of you who played!

With August just around the corner we are busy preparing our prepayment plan and have detailed that here in the newsletter. We will also send out numerous emails and place signs around the shop.

Jeff Engelhaupt – General Manager – Continued

You can find more details about prepayment further through this newsletter and be sure to prepay in August for your greatest discount of 10% off. If you prepay for the dues, you can then prepay for club services like range plan, cart plan, locker and club storage. We will have prepayment sheets for you to fill out located at the golf shop counter. Stop by as soon as you can to grab one!

As you can see on the previous slide, we have numerous events and happenings during the month of July. Be sure to take part in our package event and for a more challenging event, sign up through the CGA for our one day tournament on the 17th. Our next major golf event will be the fall member-member in September. This is the one you wait for all year.....the event will feature 5 nine-hole match play events and is always an enjoyable time!

I look forward to seeing you at the club soon and thanks for being a member at Wildwood Green!

Mindy Glatfelter – Golf Shop Manager

The summer is really flying by. I want to thank everyone who has come out and participated in our member events so far. We have many more member events planned through the rest of the summer. We even have a few majors left on the schedule. The Fall Member-Member is booked in September, the Member-Guest is booked in October and we have the Couples Member-Guest in October as well. You do not want to miss any of our majors this year.

We have also added a new event to our calendar. We will be hosting a Parent-Child 9 hole tournament on July 31st. The Parent-Child Tournament will be played from our new USGA rated family tees. Anyone over the age of 18 will play from Level 2 and any player 17 and under will play from the Level 1. Sign up your 2 person team in the golf shop today! For more details please refer to slide

Congratulations to Paul Pratto for being the winner of a new desktop. They were randomly pulled from our members only drawing. The more new members you sponsor the more you will be entered into our member only raffle. All the prizes on the table in the golf shop will be raffled off to our dedicated members in good standing. If you have any questions about the details of our membership drive, ask a manager in the golf shop today!

Please help us by continuing to fill out comment cards about the facilities. Tell us about an event you would like to see, a format you would like to play or even any improvements you would like to see. Happy 4th of July!

Jennifer McLendon— Food & Beverage Manager

July already? Summer is in full swing. Bogey's is now running weekend breakfast specials and we always have breakfast biscuits for you before you head to the course, so no need to stop for biscuit before you get here! We also have daily lunch specials so check those out too!

We are running the beverage cart on Friday, Saturday, Sunday and Holidays. We are going to test the waters on Thursdays depending on the scheduled tee times.

We are currently in the process of planning a "Summer Fling" cookout. I am trying to put feelers out for what kind of things people would like. I.E...Barbecue, seafood boil. Any suggestions would be welcomed and appreciated.

We hope everyone has a safe and happy 4th!!

Jimmy Hamilton – Director of Instruction

The Academy is pleased to welcome two new members to our teaching and coaching staff. Ronnie Reitz is a long time teaching professional in this region. Ronnie actually started his professional career as an assistant to Ralph Lang at the original Wildwood CC. Ronnie was the Head Professional at North Ridge CC for many years and helped the Bagwell family start River Ridge GC and was at Wake Forest CC for quite a few years. Ronnie has been awarded the Palmer Maples Teacher of the Year award in the Carolinas PGA and has been awarded Junior Golf Promoter of the Year twice. Ronnie has worked with tour notables Chip Beck, Scott Hoch and Bob and Ed Byman. Ronnie has over 50 years experience teaching and coaching the game. Dave Snyder joins the Academy after working at Lochmere for 5 years. Dave has fine record in coaching the girls team at Athens Drive High School and has coached young people in many sports. Dave was able to teach golf at Lochmere as well and has worked with over 140 different people. Dave has a great reputation of keeping the game fundamentally sound, simple and fun. You can't miss Dave with his big grin and Loudmouth slacks. The Academy has had a very busy and productive spring and early summer. From junior players learning the game and some performing very well on the regional and national events to adults looking to have more fun with their game, contact us and let us help you have more fun with your game!

Adopt-A-Hole

The purpose of the Adopt-A-Hole program is to help keep each hole and the practice areas in good condition and then reward the teams that maintain them the best. We need 20 two person teams in order to have an outstanding program. The most important areas to concentrate on are ball mark repair, sanding divots, raking bunkers, trash, etc.

Thank you to all who have signed up to help keep Wildwood Green looking better than ever!

Next Quarter Grading is October 1st
