Rules Question of Month

Are you the king of the rules? Try to answer the rules question to this scenario.

Rule: 13-4 Ball in Hazard

Scenario: *A player hits from a bunker and his ball comes to rest out of bounds or is lost. Since the player has to drop a ball back in play, does he:*

- A) *Hand place a ball in the bunker on the best area in the sand.*
- B) *Drop a ball in the bunker without testing, smoothing or raking the sand.*
- C) *Rake or smooth the sand and then drop his ball into the bunker.*
- D) *Drop a ball up near the line where the original ball went out of bounds.*

WILDWOOD GREEN GOLF CLUB

July & August 2016

Answer to the Question of Month

C) Rake or smooth the sand and then drop his ball into the bunker.

The prohibitions in Rule 13-4 apply only when the player's ball is in the hazard or when it has been lifted from a hazard. Furthermore, exception 2 under 13-4 allows a player, after playing his ball out of a hazard, to smooth sand or soil in the hazard without restriction even if the player will be playing out of the hazard again because of a lost or out of bounds ball. This right overrides any conflicting provisions in other Rules, including Rule 13-2.
