Rick Durham – Superintendent

February did not end as promising as it started. There have been a lot of cloudy wet days over the past few weeks. It's hard to believe but we are just above our average rain fall for the month. The wet conditions can be a negative for golf but agronomical there are positives. As we enter into spring a wet soil profile can promote a quicker green up for all of our turf areas. The maintenance team has been preparing for spring with several different projects. Our mechanic Cris Hartford has been sharpening and completing service on all equipment. Service includes oil changes, greasing, tune ups and replacing any worn out parts. Once Cris has completed a piece of equipment we then detail it to make it look as good as new. You may have noticed tee markers, tee signs and ball washers are being refurbished and near completion. Other areas of improvement are replacing landscape timbers and rail road ties used for curbs. The club grounds and landscaping are being cut back and fresh pine straw spread. Continued irrigation upgrades to help provide quality turf are implemented as well. Thank you for your comments and suggestions and as always I can be reached via e-mail at rdurham@wildwoodgreen.com.

We are kicking off with a solid sign up list so far for the Tournament of Champions on Saturday, March 9th. Don't forget to sign up for the first Champion Club Event of the year on Saturday, March 23rd, the deadline to sign up is Thursday, March 21st and it will be a 9:00am Shotgun. The Spring is coming and the Masters is looming near. Our Masters Pool opens on Thursday, March 28th, remember to put in your \$5 with as many rounds as you would like to play until the pool closes!

Specials from the Pro: 1 Free Half-Hour lesson follow-up with the purchase of any hourly lesson package in the month of March!

Tips from the Pro: Having a problem hitting everything right? Here's a drill for you! Pull the ball a touch closer and in front of your front foot. Try and hit every ball left with solid contact. This drill will get you out of the bad habit of swinging inside out and staying still. You have to move left!

This program combines structured classes and structured playing along with measurable result monitoring to be the hottest junior program sweeping the nation and internationally. Wildwood Green has one of the first ten Academies in existence and we proudly continue to host this program. You can learn more by going to operation36.golf and you can register for the Wildwood Green program by going to operation36golf.com/#/register/58.
