Hopefully you have survived this terrible winter. Playing golf has not been a lot of fun even if the course was open. We are testing some of the greens that are the most shaded and trying to determine if there is any damage. Let's keep our fingers crossed. 2018 is going to be a great year at Wildwood Green. Please attend the general membership meeting on March 15 to hear about some really exciting details of a new membership drive and how you can win \$1,000,000, plus lower your cost to be a member! The 2018 events schedule will be available also. The state of the club will be discussed! Thank you for being a member!

### Rick Durham – Superintendent

Our weather roller coaster continues. February was unseasonably warm and many of our new greens have woken up from their winter hibernation. As greens break dormancy we are noticing morning shaded areas are much slower in the green up process. As the days get longer and temperatures continually become warmer these areas will slowly fill in. The warm February has been perfect for applying the summer weed pre-emergent. This year we applied Oxadiazon along with a light rate of Roundup. The Oxadiazon will prevent any infestations of crab and goose grass during the summer months. The light rate of Roundup will help cleanup any winter annual weeds that have survived during the winter months. Roundup at the proper rates can be applied directly to dormant bermuda with no detrimental effects. The only negative that we have experienced so far this season is the excessive amount of rain we have had so far. The cart path only rule has been implemented far more than I can remember from past years. With fairways and roughs not actively growing this time of year any cart traffic on wet areas can create damage. Turf can become unplayable and unsightly. I encourage everyone to follow the cart rule for the day and exit at the black cart post. Spring is right around the corner and I know we all are looking forward to warmer golfing weather. Thank you for all your comments and suggestions and as always I can be reached at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com).

### Jeff Engelhaupt – General Manager

Finally! The flowers and trees are blooming, the days are getting longer and nicer weather has arrived. This year will surely be a fun one for us at Wildwood Green! Our 2018 event schedule has been launched and we have a very robust plan laid out. We are currently taking registrations for the year-long match play championship and our package events. Our 50/50 raffle has been a great hit so far with a take-home pot reaching over \$400 in the first month. Remember to get your \$5 in before 4:00 PM each Friday to be eligible to win the take-home money.

I want to welcome a few new employees to our operation. Kim Johnson will be working in our grill and she will be responsible for prepping and ordering. We have recently shifted our food vendors and I have been working with her to get a new menu launched. We have been trying different menu items over the past month so if there are things you have liked or disliked, please fill out a comment card and let us know. We plan to launch a finalized menu around April 1<sup>st</sup>. Our beverage cart program will be rolled out over the month of March as well and we are planning to have consistent days and times where it will be running. Sidney Durham will be taking over that operation and we plan to have a fully stocked beverage cart as she makes her way around the course.

Other new employees include Victor Embrey, David Scott, David Burns and Thomas Nicholson. Thomas will be mainly in the golf shop and the other three will be our cart attendants. Please give them a big welcome next time you see them! We are also currently in the final stages of hiring a new full time assistant and I am looking towards the middle of the month to introduce our newest employee.

### Jeff Engelhaupt – General Manager

Some items I want you to take note of specifically in March will be our introduction of the ladies major championship pools. Just like we have done with the men's majors over the past years, we will host a major championship pool for ladies events. Our first one opens on March 8<sup>th</sup> and will coincide with the ANA Inspiration tournament. We will launch the Masters pool near the end of March, have a themed dinner night (50 cent wings and beer specials), a champion club one day event, our tournament of champions (2017 winners invite only) and a skins game for you to partake in. See the schedule of events to the right of this article for each of March's events taking place.

Be sure to mark your calendar for March 15<sup>th</sup> at 7:00 PM. We will be hosting a general membership meeting in the fellowship hall of the Good Shepherd Lutheran Church located at 7000 Creedmoor Road, Raleigh, NC 27613. We will be announcing our membership drive, touching on our event schedule, and updating you with various projects and improvements taking place around the facility. Please RSVP to the golf shop if you can attend.

Lastly, it was a sad time in February as we lost a dear friend of ours, Harold "Sparky" Mauldin who was a long time employee of Wildwood Green and Carolinas Golf Group. We are planning a small celebration for Sparky at our pavilion on Tuesday, March the 6<sup>th</sup> at 12:00 PM where you can stop by and share stories and enjoy a nice lunch. Sparky was one of the first people I met when I began at Wildwood Green and he was always there if you needed help. He helped me personally over the years in the grill and he will surely be missed.

### Mindy Glatfelter – Golf Shop Manager

With the beautiful weather in February, the month past us by very quickly. I hope you all enjoyed playing in the beautiful weather in February after being closed down for quite awhile in January. Hopefully it will continue to warm up this month which will help the course green up.

We are continuing to count down until Spring and to our exciting upcoming member golf events. Our 2018 member event schedule has been published to our website. Please be sure to either pick up a printed copy of the schedule in the golf shop foyer or check out the event schedule online. We have had a lot of great feedback about our Clubster app. I have heard that the daily updates are very effective for our members through Clubster. We are also going to use Clubster to publish all of our upcoming event information. You'll be able to click on the monthly calendar and view the details about each upcoming event. For any current members who are not familiar with Clubster or would like to join, please email me at [mindy@wildwoodgreen.com](mailto:mindy@wildwoodgreen.com) and I will send you the Wildwood Green Clubster e-vite.

Thank you to all of the people who participated in our Wine and Design Night this past month. This event went so well that we are planning to schedule a few more Wine & Design Nights throughout the year. You do not want to miss out on the next one! Another fun social event that is upcoming is our Beer and Wing night which is scheduled for this Saturday, March 3<sup>rd</sup>. Join us in rooting on your favorite local basketball team with \$0.50 wings and drink specials!

As always, if you have any comments regarding our services, events, golf course and/or facility please remember to fill out a comment card so we can continue to find ways to improve our services.
