We are very busy at Wildwood Green making improvements. We have a long list of items planned to work on over the next few months. Some of those already completed are paving around the clubhouse area, cart paths and other areas planned in the future. A big thank you to our member, Rick Royals, Royals Contracting who has worked with us to get these improvements completed without major interruptions. Some of the improvements on our list include: remodeling the on course restrooms, improving the golf shop merchandise, aerifying the tees, greens and airways, completing the drainage improvements on #9. Items we have completed: purchased new kitchen equipment, replaced the front clubhouse doors, replaced windows in Bogeys, changed the menu in Bogeys, improved the landscaping on the grounds and course, added new chairs for the pavilion, purchased a new aerifier, renovated the irrigation pumps, removed trees that shade greens, purchased inventory for the golf shop, hired a manager for Bogeys, purchased new range balls and more. We would like to increase our membership! Have you thought about entertaining a prospective member? Ask the golf staff about a special way to entertain a prospective member, for FREE! Don't forget you can reduce your dues and increase your chances to win prizes valued at more than \$6000. Thank you for being a member!!

Warmer weather that has arrived and it is having a positive impact on the course. Greens have responded well from the aggressive aerification in April. Spring is the optimal time to gain root growth that will help greens survive the hot summer months. There will be one small less abrasive aerification scheduled for June 6th. At this time we will also be aerifying all fairways and tees with our new aerway aerifier. This new machine will do most of its disruption under the turf and in the soil profile by inserting a large knifing tine at an angle then twisting which results in a shattering effect in the root zone. All forms of aerification are reducing compaction and increasing air and water infiltration into the soil profile. In return roots can grow deeper creating a healthier plant. Many of the other projects that are ongoing include new fan installation on #3 and #9. Improving outer edges by adding drainage, sod and pine straw in natural areas. The heart of our operation is the pump station that is located near the pond on #6. Recently a service was performed and many repairs had to be made. During this process the control panel was upgraded to modern times by installing a digital touch screen and eliminating many out dated switches and controls. This improvement will save time with diagnostics and help us be more efficient with our irrigation practices. I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve important areas. As always I can be reached via e-mail at rdurham@wildwoodgreen.com

Jeff Engelhaupt – General Manager

Dear members,

Help us celebrate our 30th Birthday! On May 28th we will be hosting a 30th birthday celebration and golf shotgun. We will be hosting a **FREE** lunch beginning at 12:30 PM and a 2:00 PM shotgun start **FREE** of charge to you and your guests as well as non-members of Wildwood Green. We will have a cash bar for any alcohol you would like to purchase and will have complimentary sodas and waters. We will have on course contests for you to partake in and will have prizes for the winners for both the on course contests and overall golf. We will have our maintenance equipment outside of the pavilion during lunch to show off just some of the new things we have been purchasing and what exactly it takes to keep a golf course in good shape. We are hoping this opportunity is taken by you to help lower your dues and sponsor new members to join. You can bring guests out if you would like (you plus 3 guests) and everyone would play golf and eat lunch for free. We hope that you will be willing to sell the course and get your friends to join so you and us both benefit! Registration for this day begins on May 1st and you should contact the golf shop as soon as you can. We expect this celebration will fill up very quickly!

One thing you may have already seen was that we are going to begin tee times on Mondays starting at 11:00 AM. We plan to do this for the growing season which will be from now through the end of August for sure and most likely into September and October. Once we have the first frost of the year and the grass begins to go dormant we can look at adjusting our starting times and back off on Monday blocks as best we can. The reason for this decision is to allow our maintenance team time to complete necessary projects such as aerification, spaying, top-dressing and mowing. We expect the facility to improve with this change in starting times and appreciate your understanding on why this must be done.

Beginning in May our event schedule and course schedule becomes very hectic. We have our first major event of the season during May and our second at the end of June. The Spring Member-Member is slated for May 13th-15th with two days of competition on Saturday and Sunday and a fun pairings party and social on Friday. If you haven't done so yet, register your two person team of members today!

WILDWOOD GREEN GOLF CLUB

May & June 2016

Jeff Engelhaupt – General Manager – Continued

The second major event of the season is the Club Championships which will be held in June on the weekend of the 25th and 26th. The Club Championship is open to all members of Wildwood Green and is flighted by age and then by handicap. This will be two days of individual stroke play. Please see the golf shop for more details near the end of May and be sure to be on the lookout for emails in the coming weeks.

During June we will be hosting three weeks of our annual Wolfpack Golf School. The wolfpack camps will be held during the weeks of the 13th, 20th and 27th. The junior golfers will be here Monday-Thursday from 9:00 AM until 1:00 PM. We will need to keep the range closed on Mondays and Tuesdays for them and we will then have to block off times on Wednesdays and Thursdays. Make sure you grab a calendar from the golf shop when they become available. This will definitely help you coordinate your schedules accordingly.

We have numerous new items in the golf shop including new hats, clubs and apparel. Stop by today and try on one of our Antigua polo shirts or purchase a new PING driver, Titleist wedge or iron set! We hope that the items we have added helps satisfies your needs, but if you would like to see some other things in the shop please fill out a comment card and let us know!

If you have been wondering, "What the hell are pots and pans doing in a golf shop?" and haven't found out yet, I am about to tell you. Our owner, Roger Watson has purchased these items (in the golf shop on the table) to give away to YOU our members. We plan to raffle some of these items off throughout the year however the majority of them (over \$6,000 in merchandise) will be raffled off during our member holiday party in December. We will have numerous ways for you to enter the drawing throughout the year such as filling out a comment card, sponsoring a new member to join or playing in club events. Please check with the golf shop on how you can get entered to win these fabulous gifts!

To help streamline the staff's time and efforts for the better we have decided to produce the newsletter on a two month basis during the golfing season. We will plan to do it once during the winter (most likely in December) for December-February. We hope this helps keep you in the loop with club happenings and helps free up the staff during the golf season months. Be sure to check your email weekly for our Weekly Update. This weekly update is sent out each Sunday and will keep you in the loop for club happenings.

Mindy Glatfelter – Golf Shop Manager

We hope everyone have been noticing the improvements around our facility. Our owner and staff are going to continue to make this golf course the best it can be. It has been a management decision to push back the first tee time on Monday's in order to improve the condition of the golf course. Please continue to fill out comment cards so we can fix the areas that need improvement.

We have many different outings and events scheduled for the month of May and then June welcomes the Wolfpack Golf Camp. Please review our event calendar to be aware of the restricted and available tee times. We appreciate your understanding during our busiest month with charity outings scheduled. Don't forget to sign up for the Spring Member-Member. We have a lot of fun events scheduled for the Friday night Pairings Party like our Beat the Pro game as well as a game improvement session. There will be breakfast, lunch and dinner served over the course of three days.

Have you visited the golf shop and looked at all our new merchandise? We have all different brands, sizes, styles and equipment. Be sure to check it out before it is all gone, new merchandise may even improve your golf game! Did you see that Scotty Cameron displayed in the golf shop a couple weeks ago? One of our members, David Butler, won it through our Manager's Special raffle last month by purchasing a raffle ticket for \$20. We are planning many more different raffles and promotions for members and guests. Do you want to be the next winner? Look out for the specials and raffles that we will be promoting throughout the year!

If you have any questions or concerns feel free to email me at mindy@wildwoodgreen.com.

Jennifer McLendon— Food & Beverage Manager

The busy season is upon us and we at Bogeys are gearing up for it. I have hired several new girls Kim, Phoebe, Sara, and Jane. Kim started at the end of March the other three are starting the first few weeks in May. Please introduce yourself and welcome them. We will start having a beverage cart on the course every Saturday and Sunday starting May 14th. We have a new Beverage cart on order, we are very excited about it. We will be carrying hotdogs, hamburgers, hats, gloves, and many other items you might find yourself in need of while on the course. We also have talked about having a “cookout” type event once a month. Some of the ideas we have been tossing around are an oyster roast and fish fry, ribs and wings. If you have any suggestions, please feel free to let me know or drop a comment card in the box.

Rule of Month

Rule: 25-1 Casual Water Relief in the Bunker

Relief: If the ball is in a bunker where there is casual water, the player must lift the ball and drop it either:

- A) **Without Penalty:** The ball must be dropped in the bunker at the nearest point of relief away from the casual water or if complete relief is impossible, as near as possible to the spot where the ball lay, not nearer the hole, on a part of the course in the bunker that affords maximum available relief from the condition or,
- B) **Under penalty of one stroke,** outside the bunker keeping the point where the ball lay directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the bunker the ball may be dropped
