### Roger Watson – Owner

Hopefully the rain has gone away for awhile. This year has been the most unpredictable weather I have experienced since I have been in the golf business. That is 50 years! It is tough to grow and maintain grass with weather like we have experienced. Rick and his staff have done an outstanding job. Jeff and Mindy have done a great job conducting member events and hopefully you have enjoyed participating in them this year. Bogeys and Jeff Sgroi have plans for you to enjoy delectable cooking and events like Thirsty 3<sup>rd</sup> Thursday and Bogey's After Dark. Enjoy your golf and special member events! Thanks for being a member!

### Rick Durham – Superintendent

As we enter fall and winter, this time of year brings the potential frost delays. A frost delay will occur when frost forms on the turf canopy (putting surfaces) and temperatures are near or at freezing. Turf can sustain injury simply by walking across frosted areas. When this occurs, it can be several months before the injured area will recover or begin repair. During this time of year, no course setup will be completed until the frost has melted on the turf canopy. Once the conditions are safe for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course set up and release play. As mentioned in the previous newsletter we are also in fallen leaf season. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Improvements have been made to the right sides of #12 & #13. These areas have been roped off and should be played as ground under repair. Just as it takes several months to recover from frost injury cart traffic damage on dormant bermuda can take even longer. This winter we will be focusing on cart traffic and installing ropes and directional signage in high traffic areas. Handicap flags should use good judgement when entering certain areas. It is always best to park either in front or back of a green and never beside one. There may be some situations where you may need to take a drop or skip hole depending on ropes and ground under repair. I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve important areas. As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com).

## November 2015

### Jeff Engelhaupt – General Manager

Dear Members,

The time change is officially upon us and the daylight hours are short. I hope you get out to play in November and December before the hardest part of the winter hits after the new year! We have begun our social events back up for the winter months and currently have Bingo, Poker Night and an After Dark night for you to participate in during November. In addition to these social events we still have our Couples Member-Guest and Tournament of Champions scheduled during this month. Be sure to get in to the events while there is still time!

We are currently planning our 2016 events schedule and will have the dates set before the end of the month. Once the dates are set for 2016 we will again check the football schedules when they become available to help ensure we do not have any major events conflicting with local football schedules.

If you haven't yet, be sure to stop by the club and prepay for 2016. This prepayment will lock in your dues rate for all of 2016 and will save you money. Once you prepay for the dues you can then prepay for services like the range plan and cart plan and save the same percent off those fees. We will be running a buy 10 get 4 free cart fee program at the end of this month. This will be the ONLY time we will run this special until November 2016. Stock up on cart fees while you can!

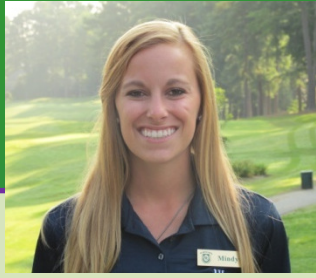

Lastly, like most clubs do, we will again be putting out our employee holiday fund. This is a great way for you to show the staff your appreciation for all their hard work throughout the year. We will have a box and name form to fill out so we can be sure to give you credit for your donation. Any donation is very much appreciated!

### Upcoming Events:

- Saturday, November 7<sup>th</sup>**

### Mindy Glatfelter – Golf Shop Manager

Now that we will be changing the clocks, the member golf events will be slowing down but that doesn't mean your time at Wildwood Green does as well. We have many different social events coming up during the Fall and Winter months. Stay up to date by looking at the event calendars, reading the weekly e-blasts, checking out the signage around the golf shop and snack bar. I look forward to seeing everyone at the upcoming Bingo Nights, Holiday Parties and Poker Nights! Participation grew last year for the Bingo and Poker Nights from the previous years. I am hoping to increase the participation even more from 2014 and fill up Bogey's Grill and the golf shop with tables for these events.

I want to thank all the members who kept up with my coaching experience for the Cardinal Gibbons women's golf team. I enjoyed coming to the course and sharing all the wonderful news about the team with you all. It was a great experience and I couldn't have asked for a better first year of coaching. They were a very talented group of girls which they eventually showed off by winning the 2015 4A High School State Championship! I am looking forward to another great year with them.

The Couples Member-Guest is only a week away so be sure to find your guest couple soon and sign up before the event is too full! Feel free to email me at [mindy@wildwoodgreen.com](mailto:mindy@wildwoodgreen.com) if you have any questions about upcoming member socials and events.

### Jeff Sgroi – Food/Beverage Manager

November looks like we will finally get a “breather” here at Bogey’s. With the tournaments wrapping up, we will start to add “After Dark” dinners, pasta nights, and cooking classes.

Our new stove/oven has arrived! If you have not seen it, come take a look! It certainly helps with larger groups and will certainly be an asset moving forward. Our meat slicer will be here any day now...

Our Thirsty 3<sup>rd</sup> Thursday was a huge success last month! The baked oysters, homemade chili, and the pumpkin pie were delicious! We also kicked off the “Birdies and Bottles Wine Club” that night! Over 34 bottles of wine were purchased! If you would like to join, drop me an email and I will add you to the list. This month’s Thirsty 3<sup>rd</sup> Thursday will be another great time! Look for the Evite and the Wildwood Green email updates!

Our After Dark dinner will be on Saturday, November 21<sup>st</sup>. Cornish Game Hens will be the feature. Should be a good one! Call Wildwood Green and make your reservation! After Dark dinners are not for members only.

Planning a Holiday Party? Let Bogey's be the host! Sit back and enjoy the night. Hosting a party at your venue? Let Bogey's cater it! Bogey’s is putting together a catering menu and will have it available soon. Chicken Marsala, CBZ, Thai Peanut Chicken, Eggplant Parmesan, Pork BBQ, Lasagna, and Fresh Salads will be some of the offerings.

Bogey’s is hiring reliable and dependable people! Benefits include flexible hours, great hourly pay plus tips, golf privileges, and the opportunity to display your culinary skills in a great setting! Call me at 919-390-0347 or just stop by to apply! Keep the suggestions and comment cards coming! They are very much appreciated. I can be reached at [sgroi@wildwoodgreen.com](mailto:sgroi@wildwoodgreen.com). Bogey’s is looking forward to serve you!

### Etiquette/Rule of Month

**Rule: #18 - Ball at Rest Moved, Deflected or Stopped**

**Question:** What do I do if my ball moves because of another player? What if I accidentally hit it with one of my clubs?

**Answer:**

- A) If a ball at rest is moved by an outside agency, there is no penalty and the ball must be replaced
- When searching for a ball there is no penalty if it is moved by the player, their caddie or opponent
- B) If your ball is moved by the stroke of your club or backward movement of the club on accident, the player incurs a penalty of one stroke.
- C) If a ball in play and at rest is moved by another ball in motion, the moved ball must be replaced. And there is no penalty.
