Carol Smith

### Chairman:

Gary Strawbridge

Thank you for all your ideas and support to improve the club.

### Roger Watson – Owner

We are excited about the possibility to convert our greens to Champion Ultra Dwarf Bermuda grass! We are currently working hard to obtain firm bids for all phases of the conversion. We are overwhelmed by the member participation! As of October 29<sup>th</sup> members have committed 43% of the funds to convert the greens. Thank you to those 75 members who have already committed. They clearly see the advantages and benefits these improvements will be long term.

Please return your commitment forms as soon as possible. Members who do not intend to opt into the Champion Club, we will appreciate if you still would return the commitment form stating you are not opting in to commit.

Thank you for being a member! When we get closer to the amount necessary to convert the greens we will send out a timeline for the conversion. Great weather now, play golf!

### Rick Durham – Superintendent

We are entering the time of year when we will experience frost delays. Frost delays occur when frost forms on the turf canopy because temperatures reach or are at near freezing. Turf will sustain injury simply by walking across frosted areas. When this occurs it can be months before the affected area can recover or be repaired. Also, keep in mind that no course setup can be completed until the frost has melted. The maintenance team will do everything possible to have play begin as soon as possible. As I have mentioned in previous newsletters we are upon leaf season. Cleanup is a slow process, the maintenance team is working daily to complete some sort of leaf cleanup. I would like to thank everyone for the positive comments and encourage all of you to fill out comment cards. This is an excellent way for us to hear your comments and continue to get better. As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)

### Jeff Engelhaupt – General Manager

We have received a strong response from the membership on converting our current greens to bermuda grass and we have started to move forward with the early stages of the conversion process. I want to thank the members who have committed to becoming a champion in 2017 and beyond! If you have not already filled out your commitment form, please feel free to stop by the golf shop as we have extra champion club packets located on the golf shop counter. This is a great way to help us improve the course for many years to come and we appreciate your willingness to help and your loyalty to the club!

As hectic as this year was with the course situation and postponement of events, we are finally nearing the end of the tournament season this month. We have our last major event of the season, the Fall Member-Member, set for the 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup> of November. If you haven't done so already, grab another member and sign up with the golf shop. This is always a fun event to play in with the match play format!

The fall time change is in just a few days and we will begin our winter schedule with regards to hours of operation and our social events. We have scheduled both Texas Hold 'Em and Bingo night events for you to participate in for the winter months and we will soon be releasing the 2017 event schedule.

We will begin to allow walking anytime starting on Monday, November 14<sup>th</sup>. We will be open on Thanksgiving Day with all play beginning as a 9:00 AM shotgun start. Please call in or book your tee time online.

On Tuesday, December 13<sup>th</sup> we will host our member holiday party and FINALLY give away the items in the golf shop you have been asking about. We have four computers, two printers, a luggage set, pots and pans and more to give away. Be sure to RSVP for the holiday party with the golf shop so we know how many people to plan for!

As we move towards the holidays we will again be announcing our employee holiday fund. As in years past any contribution made by you is greatly appreciated. The staff has worked hard this year to ensure that you have enjoyed your membership and the operation. The employee holiday fund is a great way to show your appreciation for the entire staff. We will soon place a gift box on the counter that you may place your donations in. Be sure to fill out a name and information slip so that we can send you a thank you after the season has passed!

Thank you again for being a member; you are truly what drives the operation!

### Mindy Glatfelter – Golf Shop Manager

October has been a very busy month with outings, member events and event schedule changes. Thank you to all the members for your patience during these past couple months. Don't forget to sign up your team for the Fall Member-Member which is being held on November 12<sup>th</sup> and 13<sup>th</sup>. This is most of the members' favorite event and I really look forward to seeing which team comes out on top. Good luck to all!

The ladies of Wildwood Green really know how to make golf fun out here. The WOW's participated in their annual Halloween costume 9 hole round. They all impressed me with their thought out costumes. On the next page you will be able to see pictures of their wonderful costumes. Not only did I enjoy the WOW's costumes I also was lucky enough to spend some time with the spouses of the Member-Guest teams at Relish Café. We enjoyed a wonderful luncheon while the players competed in the first round of the Battle at Ballybunion. We are all still trying to figure out how the illusionist completed most of his tricks.

The fall weather is here which means our fall apparel will be arriving soon as well. Be sure to stop in the golf shop later this month to check out the new men's and women's outerwear. These jackets will be much needed during the cool mornings. We have already received our winter caps, get yours before they are all gone!

Please email me at [mindy@wildwoodgreen.com](mailto:mindy@wildwoodgreen.com) if you ever have any questions.

### Zack Goldberg— First Assistant Professional

After a very hot and humid summer, it's great that the cool fall weather is upon us! October has been a very busy month of member and public outings. We appreciate the patience of the membership when it comes to booking Tee Times and understanding the importance of these events. The staff works hard to make every round as enjoyable as possible for every golfer here at Wildwood Green.

With that statement said, it is very important that we all understand the concept of playing "ready golf". Riding around on the golf course, I notice many golfers waiting in their golf cart watching other players hit their ball when their own ball is just a short distance away (possibly on the other side of the fairway). Instead of this, players should take a few clubs with them and walk the short distance to their ball while another player in their group is hitting. Also, when on the tee box, rather than sticking to the honor system, whoever is ready to hit should play their shot. Small changes like these in every group will have a major impact on the pace of play.

The next time you play, be aware of your group's pace and try these helpful tips out! Please remember the professional staff here at Wildwood Green is always here to help in any way possible.

### Jennifer McLendon— Food & Beverage Manager

Well, I do believe the cooler weather is here. I am not a fan of cold weather but fall is my favorite time of the year. I can't believe it is November already before we know it we will be bringing in the new year.

Starting November 1<sup>st</sup>, we will be running soup special in Bogeys. We will alternate soup from week to week. Make sure you stop in for a steaming cup of soup. Also, I will be making the change to a quarter pound hotdog.

We still have a few more member events in November make sure you sign up for them. We are also having poker and bingo starting again this month.

With the Holidays, quickly approaching be on the lookout for seasonal baked goods at the counter, I mean since Erin is back I might as well use it to my advantage. Welcome back Erin!

I hope everyone has a safe, happy and healthy holiday season!

### Jimmy Hamilton – Director of Instruction (The Golf Academy at Wildwood Green)

Want to play better golf in 2017? Are you continuing to do what you have been doing and getting the same result?

Now is the time to train yourself to be a better player, have more fun, and get more of your golfing buddies to pay you at the end of the round!!!

Let one of the Academy professionals evaluate your game, crawl around inside your head, assess what is good and what needs improvement in your swing, your short game, your decision making, and course management. Begin a plan of improvement NOW so your game is better in the spring. A stroke or two here and there adds up quickly. A total game evaluation begins the process. We can work with what you can do physically, help you find the path to physical improvement with Kjersten Marlow, help you determine if the equipment you are playing suits you the best. If you want to overhaul the game or simply find those few strokes of improvement, contact us NOW!

Beginning November 15<sup>th</sup> through December 31<sup>st</sup>, purchase any of the Academy package programs and receive an extra session of the same length FREE! Purchase any package of \$300.00 or more and get the extra lesson free AND one hour on the course FREE! Allow our over 125 years of combined teaching and coaching experience to help you or a loved one to have more fun!! Gift certificates are available, major credit cards are accepted! Go to our website through the Wildwood Green link to our Academy or [raleighgolflessons.com](http://raleighgolflessons.com) to see the package options and contact the experienced professional of your choice!

Merry Christmas, Happy Hanukkah, Happy New Year!!

## Adopt-A-Hole

The purpose of the Adopt-A-Hole program is to help keep each hole and the practice areas in good condition and then reward the teams that maintain them the best. We need 20 two person teams in order to have an outstanding program. The most important areas to concentrate on are ball mark repair, sanding divots, raking bunkers, trash, etc.

Thank you to all who have signed up to help keep Wildwood Green looking better than ever!
