Well hopefully cooler weather is just around the corner. The golf course has suffered under the stress of a very warm season. Rick Durham and his staff will have their hands full aerifying greens and soon to be gathering leaves. Good news is all these chores are temporary. Hope you are enjoying the improved cart paths and new carts. Unfortunately, a number of the cart seats and backs were damaged upon delivery. We will replace these during the winter season.

A number of members took advantage of prepayments in August. Those of you that still want to prepay can still take 8% discounts off of dues, cart and Range plans during September.

Thanks for being a member!

Rick Durham - Superintendent

Our final 2015 core aerification is scheduled for September 8th and 9th. By pulling a core we will be providing much needed relief from compaction which in turn will allow more air and water movement into the soil profile. This cultural practice has already been completed on the practice green along with reseeding. We will keep the practice green closed until the end of September for the most success in germination and recovery. Any areas on all greens that have not healed by the end of the month will be sodded. This is also the time of year that we will be raising heights on tees, fairways and roughs. We were fortunate this past spring to only lose a small amount of turf from the hard winter. Raising heights along with a late season fertilizer application can contribute to that success. I would like to thank you for your comments and suggestions and as always I can be reached via e-mail at

Jeff Engelhaupt – General Manager

We want to thank those of you who took advantage of our prepayment program during August. You saved 10% and locked in your due's rate for the entire 2016 year by prepaying last month!

If you haven't prepaid for 2016 yet, be sure to stop in during September and save 8% off your dues and services! Remember, your "key to savings is by prepaying!"

We will be quite busy over the next two months before the time changes on November 1st. Please be sure to **grab a monthly calendar from the golf shop and stay current with all events at the club!**

We have recently released the **Fall Member-Member information packet**. The format for the event will be the traditional five, 9 hole match play events. The event will be flighted and matches will be played between teams in your flight. You will earn points for each hole won during a nine hole match and then each flight winner will compete for a chance to be crowned Overall Champion. **Grab your partner and sign up with the golf shop today!**

As a reminder **we need each person playing to check in with the Golf Shop before their round**. Tee times, as well as a starter's ticket, are required at Wildwood Green and we thank you for your cooperation. Getting each person to check in helps us with our budgeting as we budget revenue based on rounds each month. If you do not check in your membership privileges may be revoked. Help us out and be sure to check in every time you play!

Mindy Glatfelter – Golf Shop Manager

The summer is soon coming to an end but don't worry we still have many more upcoming events. Bogey's After Dark is starting up again this month and it sounds like it is going to be another great meal. I am personally really interested in trying the sushi that will be paired with Thirsty 3rd Thursday on September 17th. You do not want to miss out on the creative Bogey's Grill events this month.

We have our thrilling Fall Member-Member coming up at the end of the month on Saturday, September 26th and Sunday, September 27th. There will be a pairings party for players and spouses on Friday, September 25th. We will have information packets available to pick up at the golf shop counter soon. Please look over the remaining event slides and events calendar to get more information on the upcoming events. Also, be sure to look at the events calendar for restricted tee times and member only times due to member and outside events. Remember you can sign up with the golf shop staff for any event by calling (919) 846-8376.

We have ordered some new merchandise so be sure to stop by the golf shop in a couple weeks to see the new Fall clothing. If you have any questions feel free to email me at mindy@wildwoodgreen.com.

Devin Killian – Assistant Golf Professional

Devin Killian was born in Charlotte NC. He grew up as a member of the Peninsula Club in Cornelius NC until he moved to San Diego California in 2006. He worked at Tecolote Canyon Golf Course for two years, while also caddying on the Golden State Mini Tour. After graduating from San Diego State University he then went on to the Golf Academy of America to earn his degree in Golf Complex Operations and Management. He passed his Players Ability Test before returning to North Carolina and is a certified golf professional, also working towards earning his PGA Membership. He is new to the Raleigh area, and looks forward to giving lessons, and getting to know the members.

Jeff Sgroi – Food/Beverage Manager

August was a busy month for us at Bogey's. And we are expecting another busy month in September. We are starting up our "After Dark" dinners this month. The first one will be on September 12th at 7:00 pm out in the pavilion. The feature will be "Smoked Ribs" with all the fixings. To help reduce the cost, we are asking you to prepay with your reservation. Reservations can be made at Bogey's anytime. We have new equipment coming this month that will graduate Bogey's from a snack bar to a bistro! We are very excited about this and are looking forward to "turn it up a notch..."

Our Thirsty 3rd Thursday last month was a great time. Thanks to our new hire Avery Hill for making "Caribbean Night" night a success! The "Jerk Chicken," the Pina Coladas and the Bahama Mamas were a hit! Our theme this month is going to be "Sushi Rolls" paired with different wines! I'm sure it is going to be another great time! Look for the Evite coming out soon. Sign up through Evite or call Bogey's or the clubhouse to make your reservations. These events are not just for members only. Feel free to bring as many guests as you like.

Bogey's is now offering tasty treats from "Sugar and Spice." Now you can enjoy Erin's cookies, muffins, etc. all the time, not just at After Dark events.

We want to wish our servers that returned to school the best of luck! They will certainly be missed. There are two new hires you will be seeing at Bogey's. Come by and say hi to Brie and Carly.

Keep the suggestions and comment cards coming! They are very much appreciated. I can be reached at sgroi@wildwoodgreen.com Bogey's is looking forward to serve you!

Etiquette/Rule of Month

Rule: Preventing Unnecessary Damage

Question: How can I help take care of the golf course?

Answer:

- A. Players should carefully repair any divot holes made by the impact of their ball. The proper way to fix the ball mark is to push toward the middle of the mark, do not lift up!
- B. The head of the club should not be used to remove a ball from the hole.
- C. When nearing the green with a golf cart, please return to the cart path when you see the black stakes. This will prevent damage around the green.
- D. When placing the flag stick back in the hole please do not damage the sides of the cup.

WILDWOOD GREEN GOLF CLUB

September 2015

It was a great weekend for golf, and an even greater weekend for Jason Day. Not only did he set a record at 20 under par, but his lifelong coach, mentor, caddie and father-figure was right by his side- as he always has been. You see, you don't get that good without a good coach. Yes, the best players of the game have innate gifts, but talent at Day's level isn't achieved by luck. And it's not achieved by imitating the swing styles of the greats.

It's achieved through the sound teaching of dynamic IMPACT. And you can get it too! How do I know Day's coaching hasn't been centered around style? Easy- because NONE of the best players in the world have the same swings. But they're all the same at impact.

Take Jordan Spieth and Rory McIlroy. Put their swings side-by-side and it's clear: IMPACT is what they have in common. They have their own unique ways of getting there, but in the end they each use the 5 Dynamics to accomplish the same thing.

Spieth, now number one in the world, has the same long history with an outstanding coach- a coach who let him develop his own style, but showed him how to achieve DYNAMIC IMPACT. Not only is he a pro now, he's also leading the pack.

That's the secret weapon, folks. You must understand that IMPACT is the only thing that matters, and you must have instruction that lines up with that philosophy. Traditional "Style-based" teaching leaves golfers confused and searching for answers. Impact-Based® instruction cuts through the confusion.

That is how you play your best. It's how these guys become professionals, how they win Majors, and how they become number one.
