Rick Durham – Superintendent

Our new greens are finally ready for golf and I anticipate that they will only get better as time passes. It's been a long journey and I am excited for the future here at Wildwood Green. The grow in process did have its ups and downs. Extreme heat and concerns over water supply are at the top of that list. Once we were through the first two weeks the sprigs began to root and slowly started to look like a putting surface. From that point we were constantly fertilizing, adjusting mowers and topdressing until we have arrived at opening day. All of the cultural practices that I just mentioned will continue over the next few months in preparation for fall and winter. In October's newsletter I will go over the covering process when temperatures go below freezing. The maintenance team has not only been focusing on the greens these past few months. Sand has been added to many of the sand traps and will be continually monitored for consistency. Red tees on three and twelve have been sodded and we will be removing a few more trees from those tees. More sod will be added over the coming weeks to improve areas where trees have been removed. Thank all of you for your comments and suggestions. I look forward to seeing all of you out on the course. As always I can be reached via e-mail at rdurham@wildwoodgreen.com.

Jeff Engelhaupt – General Manager

What an exciting time to be a member of Wildwood Green! With the new bermuda greens opening the weekend of the 9th and 10th I encourage all of you to get out and play more golf! The greens will be in great shape and I want to thank Rick Durham, Rex Jarvis and the rest of the maintenance crew for their outstanding work this summer. The biggest amount of thanks goes out to you, the membership. None of this could have been possible without your help, support and dedication and I want to personally thank everyone who has been a member with us for the past several years. We had our tough times but it is because of you sticking with us that this conversion was possible. There are definitely brighter days on the horizon and I am happy to be sharing in the journey with all of you!

If you haven't had a chance to sign up for opening weekend do so as soon as you can! Both shotguns are filling up fast and we want to make sure we have room for you to join in the fun and have a chance to win \$1,000,000. Beginning on Monday the 11th and running through Sunday the 17th we will be running an accompanied guest promotion where you can bring accompanied guests out for a rate of only \$30 per person including the cart fee and green fee. This is a time to show off the course and get your friend, colleague or neighbor to join Wildwood Green. Please remember champion club members receive 25% of the new member's dues off their dues for 12 months and other members can receive 10% for sponsoring a new member under The Advantage Membership drive which is happening now. We only have about 20 more spots left under this drive so be sure to get your friends joined within the next few days to ensure their spot and your credits!

We appreciate you calling into the golf shop and following the rules for the reciprocals.
