## 2020 Member Event Introductory

2020 is shaping up to be a year full of great golf and fun! If all you want to do is golf, all you want to do is here. We are scheduled to have all kinds of events that can be fun for all! We will host golf competitions for all varying ages and skills, so who is ready to play?

There have been several improvements to the facilities since 2017, with the cost exceeding close to \$600,000. The greens were converted from the aging bent grass to the fantastic Champion Ultra Dwarf Bermuda. The roofs were replaced on the range building and the on-course bathroom facility. The windows as well as the front doors were replaced in the clubhouse. The steps to the back patio of the clubhouse and the front steps from the parking lot were repaired. Several tee-boxes on the course were sodded and over 100 trees were removed to help with sunlight for turf growth. Irrigation improvements were made all over the course and the clubhouse grounds which will help tremendously in dry times of the year. A new practice putting green was installed behind the driving range and improvements to the landscape were made around the clubhouse and throughout the course. The renovations did not stop there. Last year, 2019, we started on our cart path improvement plan. We also started replacing and installing railroad ties and upgrading the facility with new landscaping and individual irrigation heads. As you can see there is a lot of work going on at Wildwood Green in order to improve our services and the experience of being a member!

We have many popular events scheduled this year which include a Ryder Cup event, Masters Par 3 Contest, Drive Chip Putt, 18-hole and 9-hole Couples Events, PGA Pools, and so much more. We hope everyone enjoys our robust member events schedule this year! See page(s) 7-8 on information regarding tournaments, handicapping, flighting, and handicap allowances to be sure you are well informed about how we execute our events.

Thank you so much for being a member at Wildwood Green Golf Club and please help us by continuing to fill out comment cards. Let us know how we can continue to improve our events!

## 2020 Event Schedule

## 2020 Event Schedule

### January

Poker Night.....Wednesday, January 8<sup>th</sup>  
 One Day Member/Member.....(1 Net with Gross Payouts).....Saturday, January 11<sup>th</sup>  
 Skins Day.....Saturday, January 18<sup>th</sup>  
 Guest Day.....Tuesday, January 21<sup>st</sup>  
 Poker Night.....Wednesday, January 22<sup>nd</sup>

*Yearlong Ringer Event Runs January – December*

### February

Poker Night.....Wednesday, February 5<sup>th</sup>  
 One Day Member/Member.....(1 Net with Gross Payouts).....Saturday, February 8<sup>th</sup>

 Poker Night.....Monday, December 21<sup>st</sup>  
 Christmas Eve Shotgun.....Thursday, December 24<sup>th</sup>

*Yearlong Match Play Tournament begins in April/Yearlong Ringer Event Runs January-December*

## **Tournament Information, Flighting Information, & Regulations**

**Wildwood Green will post all scores for events.**

**Competition Tees:** Each competitor's **set of tees** to be played will be assigned to the competitor based on the set of tees most commonly played from in their most recent handicap revision. In the event other courses have been played, the staff will assign a tee based on the other course's rating closest to that of a set of tees at Wildwood Green.

**Event Flighting:** Events will be flighted in the Spring & Fall Member-Member events, the Tournament of Champions event, and the Club Championship. For other club events flights will depend on field size. When there are 15 or more teams (30+ competitors) flights will be created and broken down as evenly as possible.

**Flight Basis:** Flights will be created by the lower handicap index of the team using the 12 month low handicap index of the individual as of the day of the signup deadline.

**Handicap Indexes:** The handicap index used for the event competitor will be the handicap index of each person on the day of the event signup deadline.

**Gross Payouts** – Gross will only be paid out in Flight 1 of a flighted event.

**Handicap Allowances:** \*Please see the attached Appendix C document from the USGA regarding handicap allowances\*

Net handicaps when playing your own ball with a partner(s) will be reduced by 10% or 5% depending on your gender. 90% of the course handicap will be used for male competitors and 95% of the course handicap will be used for female competitors.

During net events where competitors play their own ball, if the difference between the two teammates' course handicap is more than 8 strokes after the 10% or 5% allowance, we will subtract an additional 10% from both players.

50% of the male competitor's course handicap will be used and 55% of the female's course handicap will be used in a **Texas Scramble format**.

10% of the combined team course handicap will be used in an **18 Hole Scramble format**.

5% of the combined team course handicap will be used in a **9 Hole Scramble format**.

During **match play events**, each competitor will receive 100% of their course handicap and then the low course handicap will play as a **zero** and the higher course handicap will receive the difference in strokes.

## Appendix C: Handicap Allowances

*Handicap allowances* are designed to provide equity for players of all levels of ability in each format of play, over both 9 holes and 18 holes. *Handicap allowances* are applied to the *Course Handicap* as the final step in calculating a player's *Playing Handicap* (see Rule 6.1 Course Handicap Calculation and Rule 6.2 Playing Handicap Calculation).

The National Association is responsible for establishing *handicap allowances* or it can delegate this responsibility to a Regional Golf Association or *golf club*.

The following table sets out the recommended *handicap allowances* based on medium-sized field net events. The allowances may be adjusted based on field size and the desired equity (see Interpretation C/1 ):

Format of Play	Type of Round	Recommended <i>Handicap Allowance</i>
Stroke play	Individual	95%
	Individual Stableford	95%
	Individual Par/Bogey	95%
	Individual Maximum Score	95%
	Four-Ball	85%
	Four-Ball Stableford	85%
	Four-Ball Par/Bogey	90%
Match Play	Individual	100%
	Four-Ball	90%
Other	Foursomes	50% of combined team handicap
	Greensomes	60% low handicap + 40% high handicap
	Pinehurst/Chapman	60% low handicap + 40% high handicap
	Best 1 of 4 stroke play	75%
	Best 2 of 4 stroke play	85%
	Best 3 of 4 stroke play	100%
	All 4 of 4 stroke play	100%
	Scramble (4 players)	25%/20%/15%/10% from lowest to highest handicap
	Scramble (2 players)	35% low/15% high
	Total score of 2 match play	100%
	Best 1 of 4 Par/Bogey	75%
	Best 2 of 4 Par/Bogey	80%
	Best 3 of 4 Par/Bogey	90%
	4 of 4 Par/Bogey	100%

Unless otherwise specified by the Committee, players with a 'plus' Playing Handicap give strokes back to the course, beginning at the hole with stroke index 18. For example, a player with a Playing Handicap of +2 would give strokes back to the course at the holes with stroke index 18 and 17. When handicap allowances are applied, a player with a plus Playing Handicap moves up towards zero including rounding. This is to maintain the same relative difference between Playing Handicaps.

## 2020 Member Golf & Social Event Dates by Category

## Social Events

We have many social events planned this year. Our goal is to eventually become a private golf club so we are going to host more social events while working towards our goal. The most popular social event we hold year after year is our poker nights which are scheduled throughout the fall and winter months. With golf and social events scheduled year-round your enjoyment at the club never ends! If there are any social events that you would like to see added to our event schedule, please fill out a comment card with your requests. More information about a few of these special social events can be found below.

**Poker Night:** The game of Texas Hold 'Em is played at all of our scheduled poker nights. The participants will be the dealers for the games throughout the evening. Food and drinks are not included in the entry fee but will be available to purchase throughout the night.

**Member Holiday Party:** Why just spend the holidays with family, when you can rejoice with your club family as well? The Member Holiday Party is the perfect scene to have fun and fellowship during the holiday season. This night will not be silent as we listen to Christmas songs and have some laughs! Secret Santa will also be played during the night as well as door prizes being handed out. Drink specials will be offered and food will be included with the event!

**Cookouts:** Can you name anything better than hanging out with good friends, sharing laughs, and enjoying a delicious Champions Grille burger or hotdog? Neither can I! Cookouts will be hosted by Champions Grille to give you all the opportunity to fellowship with one another and have a great time. Don't miss out on all the fun!

## Couples Golf

We host our Couples Golf events throughout the Fall, Spring and Summer seasons. These 9-hole golf events are always a fun way to meet other couples at the club. We have had incredible participation over the past few years and it seems that every year the participation grows and it has turned into our most popular 9-hole competition. Our couple's events are held Sunday evenings and then followed by a delicious dinner either provided by Champions Grill or catered. This year we have included an 18-hole couples Member-Guest to kick off the season!

The format for most of our couple events is a four-person team, net captain's choice. Two couples will be paired together and a percentage of their team handicap is factored in to get their final net score. During the golf tournament we host proximity games for both men and women and prizes will be available for each. Spouses who do not play golf are welcome to join us for dinner after play for a small fee. We hope to see all the couples out at these events this year!

## **Master's Par 3 Contest**

To kick off Masters Week, we will be holding our very own Par 3 Contest! Nine holes will be set up to play as par 3s. Compete against others to be crowned our Par 3 Champion! Open to all active members, small entry fee, and a chance to win gift cards and other prizes. Closest to the pin prizes will also be awarded. Mark your calendars today!

## **Drive, Chip, and Putt**

Please join us for our first annual Drive, Chip, and Putt contest! Have you ever wondered how your golf skills compare to your peers and fellow members? Now you have a chance to earn some bragging rights and some shop credit! Open to all active members. Come should us how well you can drive, chip, and putt.

## **2020 Major Events**

### **Spring Member-Member**

*Friday, May 1<sup>st</sup> – Sunday, May 3<sup>rd</sup>*

Wildwood Green will kick off the 2020 Majors with the Spring Member-Member. This is a two-person team event with a format of 1 gross plus 1 net. Flights will be determined by the low player's 12-month low handicap index. Teams can be made up of either men or women or a mixture of both. Course handicaps will be calculated based on the tee color played by each golfer. To accompany the championship matches there will be an optional team skins game and hat pool offered for the weekend.

This first Major of the year is always a great value as the event features a Friday night pairings party, two days of competition, proximity games, breakfast and lunch both days. and an awards ceremony on Sunday afternoon. Be sure not to miss out on this exciting team competition and mark the date on your calendar now!

**2019 Spring Member-Member  
Overall Champions:  
Mark Nordin & Tony Herring**

**Ryder Cup Annual Event**  
***Friday, June 26<sup>th</sup> – Sunday, June 28<sup>th</sup>***

For the third year in a row, we will be hosting a Ryder Cup style golf tournament. The Ryder Cup is a 36-hole match play event which features two days of competition. This event will consist of 4 different matches played throughout the two days and 4 separate 9-hole competitions occur with players accumulating points for their team by winning or tying their match. The team with the most points after the completion of the four matches wins! The event will be open to the first 32 players who sign up. The two, 16 person teams will be created by the golf shop based on the player's low 12-month handicap indexes. Don't miss out on this extraordinary event!

**Club Championship**  
***Saturday & Sunday, August 1<sup>st</sup> and 2<sup>nd</sup>***

The most prestigious title at Wildwood Green has to be the title of Club Champion. This two-day stroke play competition, which sees the club's best golfers, will undoubtedly see great scores again in 2020. The Club Championship will be flighted by age and then by handicap. Flight size is solely dependent on how many people sign up in the age division. No handicap will be used in competition and men and women will compete in separate flights.

We will also host a net division Club Championship and anyone who has a GHIN handicap is allowed to compete in the net division. The net division will not be broken down into flights instead it will be created with one flight. Everyone playing in the net division will use a percentage of their course handicap. The difference in tee ratings will be factored in to the handicaps however, to be crowned the overall men's or women's champion, you must play from the blue tee markers and the red tee markers respectively and in the gross division

**2019 Overall Club Champions:**  
**Christopher Cox**  
**&**  
**Katherine Brictson**

### **Fall Member-Member**

***Friday, October 23<sup>rd</sup> - Sunday, October 25<sup>th</sup>***

Our highly anticipated and most popular event will be held at the end of October. The format for the Fall Member-Member is five, nine-hole match play matches. There will be three matches played Saturday and two matches played on Sunday. Teams can be made up of either men or women or a mixture of both. The two-person teams will be flighted according to the average of the low handicap index for each player and each flight will have a max of 6, two person teams.

Each person will play their own ball for each hole. The lowest net score on each hole will win between the two teams. One point is available on each hole and one point for winning the match (10 points per nine holes). Holes may be halved and a 9-hole match may end in a tie at 5 points for each team. The team with the most points after the five matches, from each flight, will compete in a sudden death playoff for the title of Overall Member-Member Champion. Also, just like the Spring Member-Member, we will offer a hat pool. Be sure to grab your partner and sign up early as this event always fills up quickly!

**2019 Fall Member-Member  
Overall Champions:  
Dennis Toothman &  
Ray Griffin**

### **Carolinas Golf Association & Carolinas Professional Golf Association Events**

The Carolinas are home to hundreds of golf tournaments each year that appeal to a wide range of skill levels. The CGA administers its own calendar of championships, considered one of the strongest tournament programs in the country, as well as USGA qualifiers for national events.

Whether you're a scratch golfer looking to qualify for the U.S. Open or Carolinas Amateur Championship, or a mid-level handicap wanting to participate in one of the CGA's individual or team events, there is an opportunity for you to play. These events are open to members of CGA Member Clubs who have up-to-date CGA/USGA handicap indexes.

The CGA annually conducts 48 championships and five team match competitions for men, women, juniors, and seniors. Please note that you are a member of the CGA with your paid GHIN handicap at Wildwood Green Golf Club.

The CGA conducts over 100 One-Day tournaments that are open to both men and women with a CGA membership and an up-to-date CGA/USGA handicap index from a CGA member club.

**PGA**  
Carolinas Section

### 50/50 Weekly Member Raffle

We will host a 50/50 weekly member raffle in order to help raise money for improvements around the Wildwood Green facility. Improvements will be determined from customer comment cards and what is feasible for the club to accomplish.

The drawing will occur at 4:00 PM each Friday throughout the year. There is one poker chip per membership in the bowl and each membership has been assigned a number which corresponds to what is written on the poker chip. Poker chips are placed into the bowl and a member will draw one chip from the bowl. **(Participants must pay their \$5 entry each week to be eligible to win.)** Each Friday when the chip is drawn, we will check the number on the chip and then find out which membership that corresponds with. If the membership has paid their \$5 entry for that week, they win 50% of the pool. Each week Wildwood Green will take 50% of the entries. **(If the membership did not pay their entry that week and no winner is determined for the week and the money carries over to the next week.)** Members have the option to prepay their \$5 for the year if they would like.

With almost two years under our belt hosting the 50/50 raffle (first drawing was February 9th, 2018) we have raised a total of \$31,985 from our members. Out of this total we have paid out \$16,192.50 in winnings. In 2019 we added benches throughout the course and we installed an ice-water machine at the half way house. That machine was brought inside for the winter (to avoid the lines freezing). Our plans are to keep the ice-water machine installed in Champions Grille and purchase an additional one for the halfway house this spring. This means you will have easy access to tasty ice-water when you are at both the halfway house and the clubhouse. Keep entering each week and help us improve the facility...you might be another lucky one who takes home thousands of dollars!

## 2020 PGA Tour Major Event Pools

Every year we host Major Championship Pools at Wildwood Green in conjunction with the PGA Tour's major events. These individual net challenges will begin two weeks before the Major Championship's first round and payout will be in Wildwood Green gift cards. The final opportunity to enter the challenges will be on the Saturday (third round) of the major event at 12:00 PM noon. You may enter as many times as you want before the cut off!

### Rules and Information

**Entry:** \$5 - Members may enter as many times as they like (paying \$5 for each entry) from two Saturday's before the major event's first round until Saturday of the major event at noon – A USGA recognized handicap is required for participation.

**Format:** Participants will use a 10% reduction handicap and will turn in their attested scorecard to the golf shop following their round. Members who enter the pool must have an established USGA recognized handicap. The net score of the participant will then be added to a professional's (chosen by blind draw) third and fourth round scores. The winners will be determined by the low 54-hole score and payout will be in Wildwood Green gift cards.

**The remaining purse will be paid out in Wildwood Green gift cards as follows:**

1st Place - 40%	Blind Draw Winner - 10%
2nd Place - 30%	PGA Event Winner - 10%
3rd Place - 20%	
4th Place - 10%	

<u>PGA Major Event Schedule</u>
