Lennie Barton  
Carol Smith  
Bryan Copeland  
Jim Davis  
Carolyn Lyman

### Co-Chairman:

Jeff Hall  
Denice Short

Thank you for all your  
ideas and support to  
improve the club.

Although we have enjoyed a mild winter weather our boats have been floating most of February! Golf course work, especially the cart paths, are way behind schedule. This does not stop us from working on plans for this year. If it has not been 100% completed by the time this newsletter is received, our plan is to remodel the men's locker room. We have already replaced the carpet downstairs on the golf shop side to match what we replaced in Champions Grille last year. We are also going to tidy up in the club storage area and complete a few other things behind the scenes to keep our clubhouse up and running. The new electric golf carts are here and awesome!

**NOW LISTEN UP! YOU CAN REDUCE YOUR DUES TO "0" FOR ONE YEAR**, get some free food and beverages, and win some great door prizes. **But you have to attend our annual membership meeting on Thursday, March 5<sup>th</sup> at the Good Shepard Lutheran Church located at 7000 Creedmoor Rd at 6:00pm.**

There will be door prizes available including: one month free range balls, one month free carts fees, one month free member dues, 4 - \$25.00 gift certificates, 4- \$50.00 gift certificates, 2 - twosome rounds to Lonnie Pool, and more!

-Roger Watson

**RSVP is MANDATORY!**

Remember to RSVP with the golf shop  
by calling (919) 846-8376 ext 2.

## Wildwood Green is looking for a Handicap Committee for 2020

**We are still looking for 2-3 people for our handicap committee. We have 3 people committed so far! Dave Vilushis, Barry Johnson, and Tim Nicholson. Thank you for donating your time!**

**An ideal handicap chair is a dedicated volunteer looking to pass on their knowledge to others and ensure that everyone's handicap index represents their true potential ability.**

The **Volunteer Handicap Committee** will work with the golf shop professionals in adjusting scores, posting scores and making sure the player's handicap index is current for tournaments.

If you are interested in being involved with the handicap committee contact Jeff in the golf shop. 919-846-8376 ext. 2

## Acers Club at Wildwood Green

A good investment even if you aren't feeling lucky! **For only \$5** you can join the acers club and if you make a hole in one during the season you will **win the pot in the form of a gift certificate to the club....**which may help cover all of the drinks you will have to buy! **The first hole in one made by someone that is in the Acers Pool will win the pot.** Once the pot is cleared you will need to repay your \$5 to be eligible for the next round of winnings.

To enter the Acers Pool just stop by the golf shop and let us know you want to get in, pay your \$5, and go play golf.  
The only catch is that your hole in one will have to be contested by your playing partner.

**See a member of the golf shop if you have any questions!**

## March 2020

Dear Members,

What a wet winter! I did finally see some snow so I am a happy camper...at least for a little bit ☺

Some warm weather will be on us before you know it so I suggest you take some time and get a lesson from one of our instructors, clean out your golf bag, and get golfing ready! It is a great time to tune up for the season, get your grips replaced, or purchase a new dozen of golf balls. We will have apparel in the shop, for both men and women, very soon along with some footwear. I appreciate those of you who responded to our merchandise survey. Your answers were received and I feel we have planned some very exciting apparel orders this year. We have already rearranged the shop in anticipation of the new apparel!

**SIGN UP FOR OUR ANNUAL MEMBERSHIP MEETING THAT WILL BE HELD ON THURSDAY, MARCH 5<sup>TH</sup> BEGINNING AT 6:00 PM!**

We will be giving away **over \$2,000 of value** in door prizes that evening and will also tell you how you can save up to \$1,427 in 2020. **RSVP is mandatory** so please reach out to a golf shop member to confirm that you are coming. I look forward to giving you the details of this new and exciting membership drive and how you can reduce your monthly dues simply by referring a friend to join the club!

## Rick Durham – Superintendent

Mother Nature has continued to challenge us over this past month. We have had to delay several projects and even some daily maintenance due to wet conditions. Some of the daily maintenance delays have included bunkers and general cleanup. All efforts are being made to improve these areas.

We have successfully completed irrigation on holes 1 and 8. This project will resume in the latter part of March. Cart path renovation has been a struggle scheduling and will start again once the course has a chance to dry out.

Although not ideal we have been able to apply a pre-emergent to the entire golf course. This application will help control summer annual weeds. This application is vital to keeping the course weed free and promoting a healthier turf.

Thank all of you for your comments and suggestions and as always I can be reached at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)

## *Tyler Bass – Assistant Golf Professional*

**Hello Everyone,**

**I hope you all are getting a jump on the “leap” year!**

**In the shop, some new items are being added in March including Bridgestone headwear and Bridgestone golf balls. The hats ordered come in four different styles, which are the tour hat as seen worn by Matt Kuchar on the PGA Tour, the trucker snapback, a snapback modern fit, and a traditional fit cap. All hats have the Bridgestone “B” logo. The new line of Tour B golf balls is now available. Bridgestone just launched this new line of golf balls on February 14<sup>th</sup> and now you can purchase them here!**

**Is your range finder battery getting low or completely dead? No more going to stores, you can purchase replacement range finder batteries here. We now have a full stock of Zeus Power batteries!**

**The last thing is something you may not have noticed and that is the brand-new carpet in the golf shop and locker rooms. So, stop by the golf shop to see our brand-new items, carpet and layout of the golf shop!**

**I hope everyone has a great month and has the Luck of the Irish on their side!**

## Dan Alton - Head Teaching Professional

Our focus in March will be on the putting greens. There are three major keys to keeping a square club face through the ball. 1 – Where your weight is leaning 2 – The relationship between your forearms and the shaft 3 – How your shoulders are really suppose to move to release the putter. Simple as that. You can find a short video clip about this at [www.danaltongolf.com](http://www.danaltongolf.com) to see what we have in store for you! Let's hole more putts!

***Specials From the Pro:*** With a focus on Putting, Dan Alton Golf Instruction is offering a FREE 30 minute Putting Lesson for any new student who signs up for a package of golf lessons. This offer is valid until 3/31. Existing Students can mention this Newsletter and be put in a drawing to win 2 Sleeves of Callaway Triple Track golf balls!

## Rules of Golf with Brian

### **Net Double Bogey:**

With the new handicap system the max score you can take on a hole is called "Net Double Bogey."

Taking a playing handicap of 15 would the max score on a hole would look like this:

Par + 2 + handicap strokes.

Hole # 1       $4 + 2 + 1 = 7$

Hole # 7       $5 + 2 + 1 = 8$

Hole # 17      $3 + 2 + 0 = 5$

### **Net Double Bogey will replace ESC**

The maximum hole score for handicap purposes will be limited to Net Double Bogey (Par + 2 + any handicap strokes you receive.)

## Brad Martin – Champions Grille

Hello Everyone,

First order of business. We will be having the annual membership meeting on March 5<sup>th</sup> at 6:00pm. This meeting will include FREE APPETIZERS! The appetizers will include popcorn chicken, meat/cheese/cracker tray, mini sub sandwiches, fruit/veggie tray, and veggie soup. Please notify the golf shop if you will be attending, RSVP is mandatory, and we want to have an accurate head count for food and beverage.

Some of you have noticed a few changes to the menu, one being The Bump n Run Brisket sandwich. Come in and try one, they are delicious! Another new item we will be adding is a Fish Fry Friday special through Easter. We are also temporarily offering Shotgun Betty by Lonerider Brewing Co, a Hefeweizen beer brewed right here in Raleigh. Be sure to come in and try our new items in the Grille!

**Don't forget, our last poker night of the season is Wednesday, March 4<sup>th</sup>.  
Be sure to sign up with the golf shop.**

## March 2020 The Golf Academy Update

Spring is just around the corner and Daylight Savings Time starts the first full weekend of the month! Our Operation 36 Adult and Junior development program starts the week of March 9th and there are a few openings remaining in the classes. Go to our Academy webpage, [raleighgolflessons.com](http://raleighgolflessons.com), navigate to the Programs/Junior Programs page, and scroll to the Operation 36 information to register before every class is full. There are adult classes and junior classes for ages 3-18.

PGA Junior League is now open for registration. This program for ages 7-13 involves weekly classes beginning in mid April and matches on Saturday afternoons beginning in mid May until early July. The exact schedule for matches is yet to be determined by the national leaders. Registration can be totally done online at [pgajrleague.com](http://pgajrleague.com) and search for the Wildwood Green Golf Club team. We will field two teams with enough registrants. Our league this year will be different from last as UNC Finley is doing an in house league. Our league is still being determined.

With more daylight and warmer temperatures, get your golf game out of the winter doldrums with the help of our experienced professionals. Each of our staff has over 25 years experience teaching and coaching. If you are experiencing a golf game issue, we have the answer for you. Get that help now for more fun playing this year. Whatever your goals are, we can help lead you there but you need to get started NOW!! Pick the instructor of your choice from our Academy webpage and let's get started today!

## Voted One of The BEST Teachers In Our State

Jimmy Hamilton was recently voted one of the best teachers in our state through Golf Digest's annual ranking. Number 8 to be exact. What a fabulous honor to be among the best! We are so very excited for Jimmy and also his leadership of the absolute best golf academy in our area.

**Wildwood Green:**  
**Where champions play**  
**Where champions teach!**

Please congratulate Jimmy as you see him around the club.

## Kjersten – Sports Performance and Physical Therapy

Did you know that by learning how to breath better, you can improve your golf endurance, reduce your risk of injury, and play better golf? It's true....your diaphragm (primary breathing muscle) works as both a body “stabilizer” and a “breather”. When you play golf (or do anything that does not make you short of breath), it is mostly working on stabilizing your ribcage and pelvis, as well as bringing in oxygen to fuel your brain and muscles. Your diaphragm attaches to the bottom of your ribs, your spine, and the top of your pelvis. Learning how to breath efficiently and effectively when you move (and play golf) can directly improve your game. Try this exercise below and see how your diaphragm can work better for you ...both on and off the course!!!

### **EXERCISE: 3D Breathing:**

- 1) Lie on your back with your shoulders/hips/knees/feet aligned and your knees bent
- 2) Place your Left (L) hand on your breastbone (sternum) and your Right (R) hand on your lower ribs/belly
- 3) Visualize that your breastbone is a “pump handle” and your ribs are “bucket handles”

# WILDWOOD GREEN GOLF CLUB

## March 2020

### EXERCISE: 3D Breathing (Continued):

- 4) Take a deep breath in and lift your “pump handle” or sternum - this will allow you to fill your upper lobes of your lungs - Be careful not to use your shoulder or neck muscles - Repeat x 2 breaths
- 5) Now, take a deep breath in and lift the “bucket handles” or ribs - this will allow you to fill your lower lobes of your lungs - Repeat x 2 breaths
- 6) Next, take a deep breath in and make your belly move upwards - this will happen when your diaphragm contracts and pushes your stomach contents forward - Repeat x 2 breaths
- 7) Last, take a deep breath in and lift your “pump handle”, “bucket handles”, and belly all at the same time- this will allow your to breathe in (inspire) a maximum amount of oxygen, as well as stretch the muscles of your ribcage, and create mobility in your upper (thoracic) spine - Repeat x 5 breath

**We have recently installed the UpNOut Ball Retriever on each flag stick here at Wildwood Green. The system is cutting edge for golf courses and will save you time and pain while you play!**

## The UpNOut system will...

- Save you back pain from having to bend over and retrieve your ball.
- No more broken fingernails while reaching into the cup.
- No more digging your club into the cup to retrieve your golf ball.
- Save time while playing...simply grab the flag stick, lift, and grab your ball.
- Moves up and down on the flag stick to avoid tearing up cup edges.

**The next time you are at Wildwood Green try the system out and let us know how you like it. We have comment cards located on each golf cart for you to fill out and we have them located in the golf shop and in Champions Grille as well. We would like to hear what you think of the UpNOut Ball Retriever system!**
