## Update from the Owner

Rick Durham and his staff are working hard on the golf course. Landscaping is virtually finished, some tees are over seeded, fescue has been planted in shaded areas (thanks to those who have not run their carts through these areas and stayed on the paths and 30' from all tees and greens). Work will begin in the lakes at #12 & #5 sometime during the winter.

The pavilion improvements and awning installation over the patio is scheduled to be completed before December 1<sup>st</sup>.

Thank you for being a member!

## November 2020

Dear Members,

I want to thank everyone who sponsored a member this year! We have taken on over 100 new memberships during 2020 and we could not have done it without your help. If you haven't yet sponsored a new member, there is still time! We are still offering our "Better than the Rest" membership drive which gives you an opportunity to sponsor a friend or colleague to join. If they return the sponsorship certificate with your name on it, you will receive a 25% monthly dues discount based on their membership category. This is a GREAT way to lower your monthly dues and help build our club for the long term! We have membership packets here in the golf shop for you to give to your friends. Feel free to stop by and pick a few up!

Even though the season is winding down, the course is in great shape and there is still plenty of golf to be had. We are dialing in our new booking engine which releases times 15 days prior at 6:00 AM. Go to the Wildwood Green website and click on Member Tee Times. Create your account and begin to book...it's that easy! As an FYI you will never be charged or told to pay when booking online through the member tee time engine. With the new engine you can also cancel online! Unfortunately, cancellations cannot be made within 24 hours so please continue to call or email the golf shop if it is within 24 hours prior to your tee time.

**I look forward to seeing you around the club soon!**

## Rick Durham – Superintendent

As we enter fall and winter, this time of year brings the potential frost delays. A frost delay will occur when frost forms on the turf canopy (putting surfaces) and temperatures are near or at freezing. Turf can sustain injury simply by walking across frosted areas. When this occurs, it can be several months before the injured area will recover or begin repair. During this time of year, no course setup will be completed until the frost has melted on the turf canopy. Once the conditions are safe for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course set up and release play.

As mentioned in the previous newsletter we are also in fallen leaf season. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Just as it takes several months to recover from frost injury cart traffic damage on dormant bermuda can take even longer. This winter we will be focusing on cart traffic and installing ropes and directional signage in high traffic areas.

I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve important areas. As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)

## Nathan Feibes – Golf Shop Manager

With phase 3 approved, as long as you have a mask covering your nose and mouth you are welcome to enter the golf shop. We are continuing to make changes, and have a variety of brands and new clubs to look at!

We still have space in this edition of our Squares game, so if you want a chance to win a new Callaway Mavrik Driver and other items, please ask anyone in the golf shop to purchase some squares! We have also expanded our selection of new Golf Balls, and have TaylorMade TP5's as well as Tour Responses which have been a big hit already.

For any specific questions regarding potential custom orders please reach out to me directly at [nathan@wildwoodgreen.com](mailto:nathan@wildwoodgreen.com).

## Tommy Himebaugh – Operations Manager

November means Daylight Savings, so adjust those clocks back! Our driving range hours will be adjusting on November 1<sup>st</sup>, so the last buckets of the evening at will be sold no later than 4:00 pm Monday-Saturday and 2:00 pm Sundays.

For the remainder of the season we will be hitting off of the matted areas, just as a reminder: **Drivers and Fairway Woods are allowed in the first 4 stations only.**

Thank you for continuing to keep Range Balls in the range area only and off of the practice greens. As Raleigh continues along into Phase 3, golfers are allowed to ride 2 Persons per Cart if they so choose.

If you are in the market for some new grips, our staff is able to help you find your perfect style and re-grip any club. The Wildwood Green staff strives to maintain one of the best courses in the area, please let us know of any ideas to help serve you better. If you need anything, please don't hesitate to email [Tommy@wildwoodgreen.com](mailto:Tommy@wildwoodgreen.com).

## Sunshine Stogner – Grille Manager

Hello members! First, I would like to say thank you for making me feel so welcomed and invited! Everyone has been great with introductions, suggestions, and lots of compliments. I have had fun these past couple of weeks and look forward to many more!

We are working on changing the menu for Champions Grille and I need your input! I would love to hear ideas of what everyone would like to see on the menu or what needs to change.

One lucky winner will have their sandwich/item named after them! Come see me at the grille or email me at [sunshine@wildwoodgreen.com](mailto:sunshine@wildwoodgreen.com)

## Golf Cart Traffic on the Golf Course

**We are asking you to honor the 90 degree rule and carts on path on all par 3s. If you violate the cart rules you will lose the privilege to rent a cart!**

Many players have decided to violate the cart rules such as driving over and past railroad ties, cutting to the right of the path on #11, driving to the right of the tees on #12 and, in general, just ignoring the cart rules.

If your cart is seen violating the rules ONCE you will be placed on the watch list. The SECOND violation will result in a suspension of your privilege to rent a cart for 30 days.

We have invested over \$1,000,000 in course improvements over the last 3 years and we are not going to allow you to continue to disrespect the hard work, investment, and improvements we have made

Thank you for your immediate attention to this matter.

### *The Golf Academy at Wildwood Green*

The great weather we have been having provides a great opportunity for you to improve the areas of your game that kept you from reaching your goals this year. This is the time of year to assess what needs to improve and get after those changes so you are ready for the great spring weather of 2021. Our group of PGA Professionals, each with over 20 years of experience, can help you make that assessment, form a plan for improvement and help you execute that plan. TrackMan technology is available to quantify where you are along with video analysis so you KNOW what correct looks and feels like. The practice drills that are suggested for you will set those corrections to occur as often as possible.

Our Winter Holiday gift certificates go on sale November 15 through December 31. Give the gift of improved golf to your golfer and pick up a package for yourself. Go to our Academy web page at [raleighgolflessons.com](http://raleighgolflessons.com), navigate to the Gift Certificate page and follow the instructions to get that gift that every golfer wants!

2021 is shaping up to be an exciting year! With our Operation 36 and PGA Junior League programs returning, programs for adults, private lessons for all ages and on site club fitting, we can take care of every game improvement need you may have! Watch for more detailed information coming in December and January.

## Acers Club at Wildwood Green

On October 2<sup>nd</sup>, Denise Short made a Hole-In-One on #4 and won the Acer's pot!

With the pot now cleared, everyone must re-enter for their chance to win. For only \$5 you can join the Acers club and if you are the first one to make a hole in one during the season you will win the pot in the form of a gift certificate to the club...which may help cover all of the drinks you will have to buy! Once the pot is cleared you will need to repay your \$5 to be eligible for the next round of winnings.

To enter the Acers Pool just call or stop by the golf shop and let us know you want to get in, pay your \$5, and go play golf.
