One Day Member-Member.....(1 Net with Gross Payouts).....Saturday, December 11th
Guest Day.....Saturday, December 18th
Poker Night.....Monday, December 20th
Christmas Eve Shotgun.....Friday, December 24th

Tournament Information, Flighting Information, & Regulations

Wildwood Green will post all scores for events.

Competition Tees: Each competitor's **set of tees** to be played will be assigned to the competitor based on the set of tees most commonly played from in their most recent handicap revision. In the event other courses have been played, the staff will assign a tee based on the other course's rating closest to that of a set of tees at Wildwood Green.

Event Flighting: Events will be flighted in the Spring & Fall Member-Member events, the Tournament of Champions event, and the Club Championship. For other club events flights will depend on field size. When there are 15 or more teams (30+ competitors) flights will be created and broken down as evenly as possible.

Flight Basis: Flights will be created by the lower handicap index of the team using the 12 month low handicap index of the individual as of the day of the signup deadline.

Handicap Indexes: The handicap index used for the event competitor will be the handicap index of each person on the day of the event signup deadline.

Gross Payouts – Gross will only be paid out in Flight 1 of a flighted event.

Handicap Allowances: *Please see the attached Appendix C document from the USGA regarding handicap allowances*

Net handicaps when playing your own ball with a partner(s) will be reduced by 10% or 5% depending on your gender. 90% of the course handicap will be used for male competitors and 95% of the course handicap will be used for female competitors.

- During net events where competitors play their own ball, if the difference between the two teammates' course handicap is more than 8 strokes after the 10% or 5% allowance, we will subtract an additional 10% from both players.
- 50% of the male competitor's course handicap will be used and 55% of the female's course handicap will be used in a **Texas Scramble format**.
- 10% of the combined team course handicap will be used in an **18 Hole Scramble format**.
- 5% of the combined team course handicap will be used in a **9 Hole Scramble format**.

During **match play events**, each competitor will receive 100% of their course handicap and then the low course handicap will play as a **zero** and the higher course handicap will receive the difference in strokes.

Handicap Allowances

Handicap allowances are designed to provide equity for players of all levels of ability in each format of play, over both 9 holes and 18 holes. *Handicap allowances* are applied to the *Course Handicap* as the final step in calculating a player's *Playing Handicap* (see Rule 6.1 Course Handicap Calculation and Rule 6.2 Playing Handicap Calculation).

The National Association is responsible for establishing *handicap allowances* or it can delegate this responsibility to a Regional Golf Association or *golf club*.

The following table sets out the recommended *handicap allowances* based on medium-sized field net events. The allowances may be adjusted based on field size and the desired equity (see Interpretation C/1):

Format of Play	Type of Round	Recommended <i>Handicap Allowance</i>
Stroke play	Individual	95%
	Individual Stableford	95%
	Individual Par/Bogey	95%
	Individual Maximum Score	95%
	Four-Ball	85%
	Four-Ball Stableford	85%
	Four-Ball Par/Bogey	90%
Match Play	Individual	100%
	Four-Ball	90%
Other	Foursomes	50% of combined team handicap
	Greensomes	60% low handicap + 40% high handicap
	Pinehurst/Chapman	60% low handicap + 40% high handicap
	Best 1 of 4 stroke play	75%
	Best 2 of 4 stroke play	85%
	Best 3 of 4 stroke play	100%
	All 4 of 4 stroke play	100%
	Scramble (4 players)	25%/20%/15%/10% from lowest to highest handicap
	Scramble (2 players)	35% low/15% high
	Total score of 2 match play	100%
	Best 1 of 4 Par/Bogey	75%
	Best 2 of 4 Par/Bogey	80%
	Best 3 of 4 Par/Bogey	90%
	4 of 4 Par/Bogey	100%

Unless otherwise specified by the Committee, players with a 'plus' Playing Handicap give strokes back to the course, beginning at the hole with stroke index 18. For example, a player with a Playing Handicap of +2 would give strokes back to the course at the holes with stroke index 18 and 17. When handicap allowances are applied, a player with a plus Playing Handicap moves up towards zero including rounding. This is to maintain the same relative difference between Playing Handicaps.
