

Wildwood Green;

Where Champions Play!

A wide-angle photograph of a golf course. In the foreground, a lush green fairway slopes gently upwards. A path of tall, slender pine trees runs along the left side. In the middle ground, a large, white, multi-story clubhouse with a dark roof is nestled among a dense forest of tall pine trees. A green flag is visible on a hole in the distance. The sky is a pale, clear blue.

General Manager Update

Members,

As you have seen, we have been completing projects left and right here at the club.

Range Nets - We have contracted a company to install range netting up the 1st fairway side of the driving range (you may have noticed the large poles behind #1 green and the half-missing mound of dirt and trees by the range). The install time was hit or miss as they were traveling from Texas and had jobs to complete along the way.

As of September 4th, work has begun! We hope everything will be completed by September 8th at the latest. While they are on the range we will need to keep it closed. If the contractor finishes early or starts late on certain days, we may be able to open the range some, but the plan is to be closed until the

General Manager Update

3% Card Processing Fees - As companies around the country are starting to implement a processing fee, Wildwood Green will do so as well beginning Wednesday, September 8th.

We will begin implementing a 3% fee on card transactions at the counter. Regardless of the card type, the 3% will apply. This will apply to all daily transactions at the facility and **there are ways to avoid the 3% fee.**

- By paying for daily transactions using cash, check, or gift card you will avoid the 3% processing fee. Gift cards can be purchased at the counter and held on file for you.
- Avoid the 3% fee on your monthly dues by having your card on our EZ Pay system. This EZ Pay system auto drafts the card on the 1st of every month. To add your card to the EZ Pay system, see a member of the golf shop.

We hope you understand that the card processing company charges us a large amount of fees to process cards. **\$30,000+ annually** to be exact and even more over the past 19 months with the amount of card transactions we have had. These transaction fees to the companies benefit the customer because there are several incentives (cash back, air miles, points, etc.) that the companies give their user however, that does come at the expense of the retailer.

As you can see over the past few years, the course and facility has received the benefit of all revenue coming in. **We have made numerous improvements around the facility and do not plan to slow down!** We will continue to improve and by implementing this processing fee, we will be able to do so for years to come.

Superintendent — Rick Durham

August was another busy month. Storms, irrigation leaks and equipment problems have had us scrambling all month. Finally, it seems to be coming together as we begin September. The cart path contractor has back filled all the paths that were paved. Two paths that were not paved are 11 and 12. We plan on taking care of those two soon. A new driving range net will be installed between the range and number one fairway. This should be under way and completed early September.

There are over thirty trees marked for removal to aide in playability and to increase sunlight for tees. Tree removal will take several months to complete, and we hope to begin soon. Hole 15 will see the bulk of improvements with trees being removed and renovating tee box. One project that has been ongoing for the past two years is irrigation. With only four holes remaining I plan on completing this early 2022. A few other items we have going on in September include a pre-emergent application for winter weeds. This has been scheduled for September 20th and we will be closed all day. The following Monday a fertilizer app will be applied on the entire golf course. This fertilizer application will prepare the turf for the cooler weather. As always thank you for your comments and suggestions. I can be reached at rdurham@wildwoodgreen.com.

1st Assistant — Nathan Feibes

Hello everyone! This last month has been quite a ride, and we appreciate everyone's continued support of the Club. We are beginning to move towards cooler weather and shorter hours. Beginning September 7th we will be beginning with a 7:30am start for tee times, Tuesday-Sunday. We are also looking forward to the WWG Ryder Cup on September 11th-12th. Please call the shop to register!

If you have been experiencing issues with receiving marketing (events, announcements, etc.) or Clubster emails (course conditions, open tee times) please reach out to me to get that resolved. We want to be sure all of our members are receiving important information about the course!

We are seeing new Apparel for both Men and Women arriving weekly, so be sure to stop in and see what's new! We have completed three of our six new rental sets thus far and should be seeing the other three completed in the next month or two. If you have any feedback, or suggestions on other items you would want to see us carry, just let me know. Please feel free to reach out to me at Tommy@wildwoodgreen.com with any special-order requests you have, and I will be happy to assist!

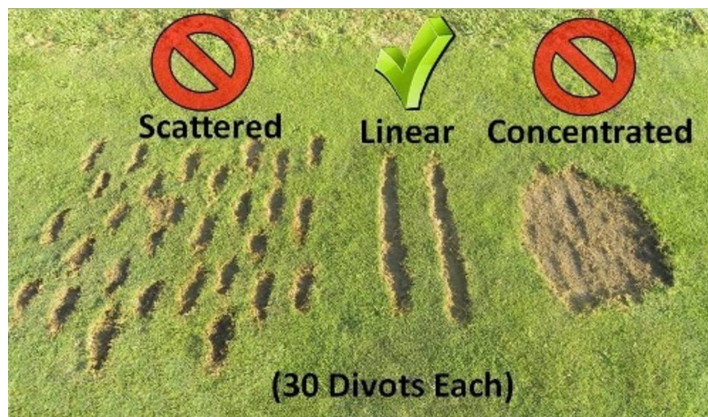

Operations Manager — Carter Gerwitz

As our club continues to grow, so does the use of the course. **With the volume of play we have been experiencing, we need your help maintaining the course!** Please remember to fill your divots at all times. There has also been an increase in use of the golf carts. As a reminder we are back to 2 carts per playing group. Help us maintain the lifespan of the cart batteries!

Please reach out with any questions at

Grille Manager — Sunshine Stogner

Hello Members! The summer is about to wrap up and we are excited for nice Fall weather! The pavilion is almost ready to open up, and I am looking forward to hosting parties in the near future.

We are still looking for help in the Grille, so if anyone knows someone who would like a job, part time or full time, please send them my way!

We are looking forward to Couples golf, and of course the WWG Ryder Cup later this month!

Thanks for all of your support during this difficult time!

Champions Grille menus are now on the website to look at and if you have suggestions of what you would like to see, please let me know!

The playoff run for the Wildwood Green 17U PGA Junior League All Star team ended at Mid Pines in the Carolinas Section Championship. The All Star team from Tanglewood defeated us, but Aidan Mantych, Rowen Milliken, Junho Lee, and Dongjun Son put up a valiant effort on a very hot and humid morning. The Tanglewood team had some young men that could drive the ball very long and straight and they will advance to the Regional Qualifier in Williamsburg, Va. in September. Well played by the Wildwood Green All Star team!

Our Fall semester of Operation 36 will begin the week of Labor Day with record enrollment. A few spots remain in adult classes, a couple of spots in the age 3-6 Future 36'ers on Wednesday from 3-4pm, a couple of spots in the Saturday afternoon age 7-10 class from 5-6pm, the age 10-13 classes have a spot in the Friday 4:15-5:15 class on Monday and Friday and the age 13-18 class has an opening Friday 5:30-6:30 and Saturday 9:45-10:45am. Contact Jimmy Hamilton at 919-906-1290 for information or go to our webpage, raleighgolflessons.com, go to the Programs/Junior Programs page for Operation 36 information and registration link.

We are all looking forward to less heat and humidity and some great golf weather. The golf course is in fantastic condition so why not have your game up to par? Our staff of experienced instructors is ready to help you take your game to the best it can be. Fall and winter are great times to change patterns in any phase of your game to be your best in 2022. Remember the definition of insanity is doing the same thing over and over and expecting a different result. Call the instructor of your choice NOW to start your journey to better and more FUN golf!

Acer's Club

Acers Club at Wildwood Green

On October 2nd, Denice Short made a Hole-In-One on #4 and won the Acer's pot!

With the pot now cleared, everyone must re-enter for their chance to win. For only \$5 you can join the Acers club and if you are the first one to make a hole in one during the season you will win the pot in the form of a gift certificate to the club....which may help cover all of the drinks you will have to buy! Once the pot is cleared you will need to repay your \$5 to be eligible for the next round of winnings.

To enter the Acers Pool just call or stop by the golf shop and let us know you want to get in, pay your \$5, and go play golf.

The only catch is that your hole in one will have to be attested by your playing partner.

Call the golf shop at (919) 846-8376 ext 2 with any questions!
