

Wildwood Green;

Where Champions Play!

A wide-angle photograph of a golf course. In the foreground, a lush green fairway slopes gently upwards. A path of tall, slender pine trees runs along the left side. In the middle ground, a large, well-maintained green is visible, with a small sand trap to its right. In the background, a large, multi-story clubhouse with a light-colored facade and a dark roof is nestled among a dense forest of tall pine trees. The sky is a clear, pale blue.

Members,

As summer comes to a close we still have beautiful conditions for golf! The course is in **great shape** right now and kudos to Rick and his team for making that happen through a dry and humid summer.

Soon, the colors of fall will begin to show themselves. I ask that if you have a picture worthy to share, **send it to our teetimes@wildwoodgreen.com email address** so we can put it in next month's newsletter!

Our capital improvements have taken shape over the past few months and with the completion of the range netting, we have just a few more items on our list. **"We ain't done yet!"**

The grand reopening of our pavilion is happening on October 3rd. We will have free appetizers while they last and a cash bar. We will also have the Panthers-Cowboys game on for you to enjoy. 1 lucky winner will win FREE membership dues for life and another one will win FREE membership dues for three years. Be sure to drop by and check it out!

I look forward to seeing everyone in our **Fall Member-Member**. It is always a highly anticipated and attended event so **be sure to sign up NOW!**

Superintendent — Rick Durham

Fall has arrived and the maintenance team at Wildwood Green is busier than ever. The cooler weather is a reminder that it is time for seeding cool season grasses. Last year we established many new fescue areas on the course. These areas are not only aesthetically pleasing but also serve as erosion control. Turf areas that require limited maintenance are ideal. These areas will be mowed two to three times a year. It is also time to prepare our warm season turf for the winter months.

Mowing heights will be raised and fall fertilizer will be applied. A pre-emergent herbicide was applied for winter annual weeds. Our improvement list continues with more planned. As many of you have noticed there are more trees marked for removal. Once removed, playing conditions will improve in these areas. We will resume irrigation work in the spring of 2022. There are four holes remaining to wire to control boxes. This project has been vital regarding fertilizer and chemical applications. The fall season also ushers in leaves falling and frost delays. I will touch on this next month. Thank you for your comments and suggestions and as always, I can be reached at rdurham@wildwoodgreen.com.

1st Assistant — Nathan Feibes

Hello everyone! This year continues to fly by; I cannot believe we are already in October. Beginning October 5th we will be beginning with an 8:00am start for tee times, Tuesday-Sunday. We are looking forward to the Fall Member-Member on October 23rd-24th. Please call the shop to register!

If you have been experiencing issues with receiving marketing (events, announcements, etc.) or Clubster emails (course conditions, open tee times) please reach out to me to get that resolved. I have been in continued talks with our service provider to correct these issues, and hope to have them resolved soon. We want to be sure all of our members are receiving important information about the course!

I can be reached at Nathan@wildwoodgreen.com with any questions or comments!

"By making a few simple changes we can hit the ball higher, straighter, & further than before. Speed alone won't work unless you hit the correct angle into the ball. It's a lot easier than you think!"

Happy Fall Members!!! It has been a very busy season and Wildwood Green has seen many changes in a short time. We care about each and every members opinions and experiences whenever they are here. We accept comments, concerns, ideas, and questions with open arms and encourage everyone to fill out comment cards located on every golf cart and inside the pro-shop. We look to keep improving every day and making change happen where change is needed. I have attached a link here to a survey concerning our outside operations. Please note, some areas of your experience at Wildwood Green may not be included such as events, the pro-shop, champions grille, among others. Keep your eyes out for surveys regarding those areas of the Club as they will be posted in the coming weeks. We look forward to hearing what you have to say and to the changes coming to Wildwood.

On September 18th, Rick Beebe made a Hole-In-One on #4 and won the Acer's pot!

With the pot now cleared, everyone must re-enter for their chance to win. For only \$5 you can join the Acers club and if you are the first one to make a hole in one during the season you will win the pot in the form of a gift certificate to the club....which may help cover all of the drinks you will have to buy! Once the pot is cleared you will need to repay your \$5 to be eligible for the next round of winnings.

To enter the Acers Pool just call or stop by the golf shop and let us know you want to get in, pay your \$5 , and go play golf.

The only catch is that your hole in one will have to be attested by your playing partner.

Call the golf shop at (919) 846-8376 ext 2 with any questions!
