

Wildwood Green;

Where Champions Play!

A wide-angle photograph of a golf course. In the foreground, there's a lush green fairway with a small sand trap. A path of tall, slender pine trees runs along the left side. In the background, a large, multi-story clubhouse with a blue roof and white walls is nestled among more trees. The sky is a clear, pale blue.

General Manager — Jeff Engelhaupt, PGA

Members,

As November begins, we will again be running our **Employee Holiday Fund**. As at many private clubs, donations are taken from the membership and distributed amongst the staff members. Everyone from outside services to maintenance and bookkeeping will be included in the distribution. It really makes for a joyous holiday for the staff and we appreciate any donation that you may be able to give!

We will have a **box on the counter** of the golf shop and please be sure to include your name on the available slip so the staff can give you a thank you for your donation!

Although the majority of our event schedule has completed for the year, **we still have many ways for you to stay active with the club!**

Our poker nights begin on Monday the 8th and we **plan to host two of these each month through February**. We also have one-day member-member events and Sunshine is running dinner nights. Be sure to grab a monthly event calendar and plan your month accordingly. **Sunshine is giving you an opportunity for her to cook your Thanksgiving meal!**

I appreciate all of the staff's hard work over this year and a **big thank you to the membership as well**. We have a great thing going here at Wildwood and we couldn't have done it without you!

Superintendent — Rick Durham

As we enter fall and winter, this time of year brings the potential frost delays. A frost delay will occur when frost forms on the turf canopy (putting surface) and temperatures are near or at freezing. Turf can sustain injury simply by walking across frosted areas. When this occurs, it can be several months before the injured area will recover or begin to repair. During this time of year, no course setup will be completed until the frost has melted on the turf canopy. Once the conditions are safe for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course setup and release play. As mentioned in the previous newsletter we are also in fallen leaf season. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Just as it takes several months to recover from frost injury, cart traffic damage on dormant bermuda can take even longer. This winter we will be focusing on cart traffic and installing ropes and directional signage in high traffic areas. I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve important areas. As always I can be reached via email at rdurham@wildwoodgreen.com

We have made it to November! We will see daylight savings end on the 7th of the month, which will adjust the Range/Shop & Grille's operational hours, so be sure to check out our new hours of operation.

I also want to say how thankful I am to everyone who has wished Olivia and I well for our upcoming wedding. Your thoughts and support are greatly appreciated! While I will be gone for about half of this month, we do still have some exciting events planned. Poker Night is back! At 6pm Monday, November 8th, and 22nd we will be hosting Poker Night for the first time in over a year, and turnout is expected to be fantastic! We also have the November Member-Member on Saturday, November 6th.

I can be reached at Nathan@wildwoodgreen.com with any questions or comments!

Happy November members,

The two previous surveys have had great responses and I thank everyone who sent us back their opinions. As promised, there are a few more surveys to go but this one is all about the events we host here at wildwood. I have attached the link to the "Wildwood Green Events Survey" as well as the previous two surveys if you did not get a chance to fill those out. Additionally, I have attached my responses summary page that focuses on all the results we gathered from the "Wildwood Green Outside Operations Survey". I highly recommend you read through this document to view the responses from the club. I urge anyone with any additional questions to reach out to me directly at Carter@wildwoodgreen.com
