

Wildwood Green Golf Club

WildOats: Senior Men’s Group Information for New or Prospective Members

About the WildOats:

Membership in the WildOats is available to any male member of Wildwood Green Golf Club who is of age 50 or older, is willing to pay a nominal annual membership fee and agrees to follow the procedures of the WildOats in playing golf, keeping a handicap, etc.

The WildOats ordinarily play golf on Tuesday and Thursday in structured format which is designed to enhance friendly competition and social interaction. Members may sign up to play as they choose and signups are cut off at 2:00 pm the day prior to play. The WildOats have two larger golf events each year, usually in April and October, and a winter social which includes female guests.

Prospective members are welcome to play with the WildOats as guests, if space is available, on any of the three days. Anyone who is interested may contact the Registrar or Assistant Registrar. Contact information is listed below.

Prospective members must have no more than a 40 handicap from the green tees and must belong to the Wildwood Green GHIN handicap system through Carolinas Golf.

Information Needed from New Members:

In order to become a member of the WildOats, we need some basic information. We do not sell or improperly share any member information. The name, numbers and email address are used to contact members. The USGA GHIN number is for handicap purposes. Spouses are listed so we get to know them; they are invited to the winter social. Please give this information form to John Bitzenhofer.

Name: _____

USGA GHIN #: _____

Home Telephone Number: _____

Cell Phone Number: _____

Spouse Name: _____

Email Address: _____

If you would like additional information please visit the WildOat’s website at: www.wildoats.bravesites.com.
