**General Manager — Jeff Engelhaupt, PGA**

As we come towards the end of the year, **we thank you, OUR MEMBERS**, for such a great time in 2022. Carter and Sunshine have been busy planning your 2023 event schedule which was recently published. **Be sure to mark your calendars!** As always, event dates in September and October are not final until the release of the NCAA Football schedule. We take into account that many of you want to go to local games so we try to avoid weekends where NC State and UNC play at home however, the rest of the year is set.

**As we approach the holiday season you again have the opportunity to thank the staff** at Wildwood Green for their hard work over the past year by donating to the Employee Holiday Fund.

**The donation box can be found inside the clubhouse on the golf shop counter** and is a great way to thank our exceptional employees for a year of hard work.

Everyone from maintenance to outside services will be included in the distribution and **every contribution is greatly appreciated. Please be sure to fill out a donation ticket** with your name (no need to record the amount given) so that we can say thank you!

Our Member's Holiday Party is set for Friday, **December 9th!** We will offer **FREE food and a cash bar**. RSVP is necessary so we can plan on the number of attendees and prepare the proper amount of food.

Over the month of November we plan to finish the cart path paving. **At this time, the pavers are scheduled to begin working on November 14th.** Due to the location of the remaining paths needing to be completed, **this will force a closure of the course or one side of the course.** We thank you in advance for your patience and apologize for the disruption this will cause!

Lastly, I wanted to mention that we will be keeping the facilities closed on Thanksgiving day to allow staff to spend time with their family. **We hope you enjoy your Thanksgiving** and we will reopen on Friday with a 10:00 AM shotgun start!

## Superintendent — Rick Durham

As we enter fall and winter, this time of year brings **the potential frost delays**. A frost delay will occur when frost forms on the turf canopy (putting surfaces) and temperatures are near or at freezing. **Turf can sustain injury simply by walking across frosted areas**. When this occurs, it can be several months before the injured area will recover or begin repair. During this time of year, **no course setup will be completed until the frost has melted on the turf canopy**. Once the conditions are **safe** for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course set up and release play. As mentioned in the previous newsletter **we are also in fallen leaf season**. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Just as it takes several months to recover from **frost injury** cart traffic damage on dormant Bermuda can take even longer. I would like to thank everyone for the positive comments and encourage everyone to **fill out comment cards**. Comment cards are an excellent way for us to hear your comments and continue to improve important areas.

**As always I can be reached via e-mail at [rdurham@wildwoodgreen.com](mailto:rdurham@wildwoodgreen.com)**

## 1st Assistant — Carter Gerwitz

Hello everyone! We are moving towards cooler weather and shorter hours. Beginning November 7th we will be beginning with a 8:30am start for tee times, Monday-Thursday. Friday-Sunday we will run a 10 AM shotgun with normal tee times being available from 2:30 PM to 4:30 PM!

I would like everyone to follow these links and fill out our individual department surveys. These comments help us revise and improve tournaments and events in the future and see what the good and the bad is.

### November 2022 Newsletter

Now until the end of the year is a great time to evaluate your game and determine what you would need to do in order to score better. You do not need tour like statistics, just some thought and insight into what got in the way of better scores. Winter is a great time to address these areas and make them better for next year. Allow our group of PGA Professionals, each with over 25 years of experience, help you evaluate your game and put a plan in place based around your needs, abilities, and time available to practice. Come to us and see your scores improve in 2023. The would also involve evaluating your equipment and determining what chance, if any, may be needed to boost your scoring.

Our Winter Holiday Gift Certificate “Value Added” promotion begins November 15th and will last until December 31st. These packages include amazing added value that will help any golfer on your gift list improve their game for the coming year and beyond. Packages may be purchased during the promotional period and used at any time in the future. Details are available on our Academy Webpage, [raleighgolflessons.com](http://raleighgolflessons.com), go to the Gift Certificate Page, then go to the Shop page and select the package you wish to purchase. You will be prompted to note how you would like the certificate delivered and to whom and we will take care of the rest!

### Wildwood Green to Korn Ferry Tour

The professional staff of Wildwood Green would like to extend a **HUGE congratulations** to Wildwood Green Member Carter Jenkins who has earned his Korn Ferry Tour card for the 2023 season. Only placing behind two golfers through 1st and 2nd stage, Carter has preformed magnificently through Q-School thus far. Carter will head down to Savannah, Georgia November 4th-7th to determine his status for the 2023 Korn Ferry season, competing in the final stage of Q-School. **Another Wildwood Green product doing great things in the ranks of professional golf**, one to keep our eyes on for sure!

If you have an accomplishment you'd like to share,  
please send it to [carter@wildwoodgreen.com](mailto:carter@wildwoodgreen.com)!

Featuring North Carolina State University coaches and players (current and former), the Wolfpack Golf School is entering its 35th year with the continuing purpose of promoting Junior golf and helping develop the talent of young golfers. An outstanding curriculum of practice, play and fun is planned.

Students will participate in different kinds of competition according to skill level and age with each student completing rotations which cover every phase of the game. The full week of golf will include individual and group instruction, video analysis, course strategy and management, rules, psychology, club fitting and tournament preparation.

An outstanding staff of PGA professionals, college coaches, and college golfers has been assembled. Their expert instruction is matched only by their dedication to junior golf.

### **Skill Level and Accommodations**

All skill levels (beginner, intermediate, and advanced) are welcome at any golf school week. The student's skill level and age are taken into consideration when making groups. The teacher - student ratio is 5:1 which enables the staff to assist students of all skill levels improve their golf game. We also understand that siblings and friends are in golf school weeks together and every effort is made to accommodate group requests during group instruction time. We expect every student to improve and to have a fun time doing it!
