General Manager — Jeff Engelhaupt, PGA**Members,**

Welcome to spring in North Carolina! Get your pollen dusters ready because it has arrived. A light dusting of the dreaded stuff was found on my car February 28th. Seems like the warmer than normal weather has brought it out a bit earlier than we are used to! Thanks for bearing with us as we try to keep the carts, patio, and bag holders clean.

Our shop is now fully stocked with the newest woods, irons, and putters from all of the major brands. Can't find what you are looking for? Special order what you need today! Still in winter form? Set up a fitting with a golf instructor to get your game tuned in for the season!

Tournament season is officially in full swing. We thank those of you who came out on the coldest day of the week in late February for the one day member event—a sell out. Two events will be held in March and April will really kick things off with the Masters Par 3 event. Carter is doing such a great job with events that the March 18th event is already full and on a waiting list. Be sure to sign up early for his events—you will surely not want to miss out on the fun!

Over the next few months it will seem like the hours will shift almost weekly. Stay in tune with our weekly update and Clubster on notifications about the change in hours and if you ever have any questions, reach out to us at teetimes@wildwoodgreen.com with questions.

**See you at the club soon,
Jeff Engelhaupt, PGA**

Superintendent — Rick Durham

After a record breaking warm February, it appears March has a forecast of above average temperatures. With the warmer temperatures we have had to move several agronomic applications to earlier dates than planned. The golf course has been pre emerged for summer annual weeds. This application will prevent weeds such as crabgrass and goosegrass from germinating. Once germinated these weeds can be difficult to control and its always better to prevent them from showing up. We may need to do a follow up application later in the spring to help aide control through the long hot summer. Greens have woken up a little and mowing has become more consistent. We will however leave the greens covers out through March just in case there is a significant dip in temperatures. We currently have several projects that will be completed soon. Cart path paving on the remainder holes 8,11 and 12 will be scheduled anywhere from mid-March into April. I am currently coordinating this with our paving contractor, and we should have dates locked in soon. Weather has played a large part in this project delay. There will be several large pieces of equipment on the course to complete paving and wet conditions has postponed this from moving forward. We were able to start bunker renovation on hole 15. This has taken a little longer than expected due to the amount of extra prep that needed to be completed. We had not planned on the extra shaping and having to re do all drainage. Once these have been completed there will be sod added to repair areas that were disrupted during construction. Capillary concrete has been chosen to line the base of bunkers. This product is a permeable concrete that will help hold sand in place and prevent washouts from accruing during heavy rain. One last improvement that I will mention is the 2,3,4,5 area that has been cleared. Our goal here will be to keep these areas cleared, playable and improve views. Creeks will be stabilized to prevent erosion with rip rap. The two creeks on number 2 will be redone first and move down stream from there. I would like to thank you for all your comments and suggestions and as always I can be reached at rdurham@wildwoodgreen.com

Gerard and Jenkins Continued Success

Wildwood Green Members, Ryan Gerard and Carter Jenkins have had an incredibly successful start to their Korn Ferry Tour Seasons. Carter is currently projected to earn his PGA Tour card at the quarter-way mark, and Ryan is not far behind. Additionally, Ryan Monday Q'd into the Honda Classic this week and placed 4th! With his top 10 finish, Ryan is exempt into the Puerto Rico Open being held March 2nd-5th. Ryan and Carter will look to get into the Valspar Championship via Monday Qualifying coming up shortly in Florida so be sure to wish them good luck. The Korn Ferry Tour starts back up in mid-March!

A fun fact to note—With Ryan's solo 4th place finish at the Honda he became the first Open Qualifier to finish in the top five of a PGA Tour event since Doc Redman (2nd) at the 2019 Rocket Mortgage Classic. Both Ryan and Doc are Wildwood alumni's! Check out their picture and playing bio in Champions Grille next time you are at the club.

Frost Delay Policy

Wildwood Green Frost Delay Policy:

When the overnight temperature drops below freezing, there is a potential for a frost delay. If there is frost on the course the Superintendent will let the Golf Shop know what the revised starting time for the day will be as quickly as possible, and we will inform you of any updates via E-Communication.

Once the Superintendent gives the Golf Shop the "all clear" to begin play, we will implement a forward shotgun for all play at and before the new starting time. We have a 45-minute minimum notification time, so if we get the go-ahead to open the course at 9:00am, the shotgun will begin at 9:45am to allow golfers time to get to the course.

Things to Keep in Mind:

- If frost on the course is ignored and regular play commences it will cause damage to the playing surface and make the grass susceptible to disease and weeds.
- Frost Delays also apply to the practice greens. We don't want to damage those!

RANGE HOURS

January: 4:30 PM	July: 7:30 PM
February: 5:00 PM	August: 7:00 PM

April: 6:30 PM	October: 6:00 PM
