General Manager — Jeff Engelhaupt, PGA

Dear Members,

I ask that you complete the below surveys as soon as possible so we can better serve you!

[Golf Shop Product Survey—Click Here](#)

This survey is to gather knowledge about what products you would like to see in the golf shop. It will also help us gather sizes of gloves and apparel so that we can better stock the shop in the future for your purchases.

[Online Tee Time Booking Survey—Click Here](#)

This survey is to gain a better understanding of the time you would prefer the online system opens up and allows you to begin booking tee times online. We currently have an online opening of 6:00 AM, 15 days out. Please note that if an evening time is selected, the golf shop staff may not be on site to assist with making/adjusting times, especially in the off-season months.

I want to take this opportunity to thank Carter Gerwitz. Carter recently started his Associate Program with the PGA of America and has started his path to becoming a PGA Member. This is a long process where Carter will complete three separate levels (as well as a qualifying level) and pass a Playing Ability Test (PAT) to officially become a member of the PGA of America. Each of the three levels consists of a week-long seminar, a work experience portfolio, and a knowledge test. Carter has already shown great dedication to the golf business by working full time while completing his last semesters of college at NC State University.

With Carter beginning his PGA Associate Program, we have given him the title of Head Golf Professional and Assistant General Manager this past month. Carter is a great asset to Wildwood Green and works long hours to make sure your events are an amazing time, your club repairs are completed with precision, and your tee times are correct. Carter is also in charge of marketing for the club which is a painstaking process of putting together and updating eblasts and communication.

Next time you are at the club I implore you to congratulate and thank Carter for his dedication to making Wildwood Green a great place to be a part of!

Superintendent — Rick Durham

Will April showers bring May flowers? It's beginning to feel like they will wash away with the amount of rain we have lately. Wildwood had a two week stretch where we accumulated slightly over seven inches. The lower-than-normal temperatures have also played a roll in course conditions. Fairways and roughs have greened up some but are not fully awake. Once nighttime temperatures begin to rise all Bermuda grass will begin to respond. The amount of rain has presented problems with ongoing projects. All five bunkers on fifteen had drainage and concrete installed in one day. They were then covered with plastic to cure. We removed plastic and unfortunately, we received an inch and a half of rain the next morning in about thirty minutes. This compromised some of the concrete and repairs had to be made. Installing sand will be the last step and bunkers should be open in the first week of May. Paving has also had issues with weather. Good news is this will also be wrapping up in the first week of May. The real fun begins after the paving crews leave. There will be repairs and sod work to be done where all the heavy equipment has been traveling. Thank you for all your comments and suggestions and as always, I can be reached at rdurham@wildwoodgreen.com

Head Golf Professional/Assistant GM — Carter Gerwitz

Things are kicking into top gear here at Wildwood, with the weather warming up and the days getting longer, we are able to get more members out on the course! 2023 will be the year of "First Evers" at Wildwood Green with an assortment of brand new golf and social events on the near horizon.

Starting May 1st, the first tee time Tuesday-Sunday will be 7:00 AM, with the first time on Mondays being 12:00 PM! The driving range will open up 30 minutes before the first tee time, unless otherwise specified.

The Driving Range hours are pushed back another 30 minutes this month. Meaning **Monday-Saturday**, the last bucket will be sold at **7:00 PM** and there will be a hard shutdown at **7:30 PM**. On **Sundays**, the last bucket will be sold at **5:00 PM** with a hard shutdown at **5:30 PM**.

Green grass brings the beginning of **tournament season** here at Wildwood Green. We have brand new events, like the **horse race** and **9 @ night (Glow Golf)** coming soon. As well as the always popular **Spring Member-Member** and the return of **Couples Golf**. Sign ups open one month prior to the event, don't miss out!

If you have questions, please don't hesitate to email me at carter@wildwoodgreen.com

Quick Pro tip—DON'T pull the . handle to hit down on the ball. Click the image above to find out why! "Most players try and 'Pull the Handle' through the ball or 'Roll their Hands' at release which actually adds spin & decreases distance.

Here's an example of the Tour Release via 'Folding the Club through the golf ball'. It's a lot easier than you think, take a look!"

Merry May!

Hello members!

I am excited for the nice weather to be back with us!

This month we have our interclub playing several times and hopefully enjoying a nice lunch buffet.

We will have lunch for our Jack and Jill players, along with several golf outings.

Starting this month, you will see some new faces, please help me in welcoming them to our family and remember, you guys have a lot more names for them to remember. You can help me in the training with the new employees by letting me know if something isn't up to par or things are not being charged correctly. We are also looking for one more employee to join our team, if you know of anyone, please send them my way!

I think with the summer approaching and everyone looking forward to beach trips and lots of travel, we will postpone BINGO nights till after August. With that being said, I am thinking about corn hole or movie nights! If you could fill out this short survey and help me with the things YOU would like to see, that would be great!

As always, my door is always open for suggestions, comments or hopefully not, complaints.

Member Accomplishments

Brad Adams Albatross

On April 15th, whilst playing in an Interclub Practice Match, Brad Adams recorded a (2) on hole #13 here at Wildwood Green. He hit a pure 4 iron from 213 yards that disappeared into the bottom of the cup. Be sure to congratulate him next time you see him out and about.

**If you have an accomplishment you'd like to share,
please send it to carter@wildwoodgreen.com!**

Member Accomplishments

John Thomas Hole In One

The very next day, on April 16th, whilst playing with the Miller Group, John Thomas made an ace on the ever so challenging downhill #6 here at Wildwood Green. It was a 6 iron from 161 yards for Mr. Thomas. A Hole In One so special, it marked the end of his groups round that day. It was celebration time, so much so that Champions Grille had to expedite their next beer delivery! Next time you John on property, be sure to congratulate him on his first hole-in-one ever!

Wildwood Green—Top 40!

The North Carolina Golf Panel (NCGP) was founded in 1995 and since 2005, the NCGP has operated as a freestanding entity. The NCGP has emerged as an authoritative statewide source of golf course rankings in a state that boasts some of the nation's best courses. Their approximate 175-member group has a unique composition: There are members of the golf media, an array of club professionals and general managers, accomplished amateur/professional players, and many others who take an enthusiastic and active role in promoting golf in North Carolina. Lastly, the panel has a significant number of business executives who share a common thread with each of the above – a passion and appreciation for golf in our great state. Membership is by invitation only. The members of the NCGP vote annually to determine up-to-date rankings of North Carolina's Top 100 Courses, in addition to the Top 50 Course You Can Play. Our rankings are first published each April in *Business North Carolina* magazine, plus are detailed on this website and distributed to media throughout the state.

Cart Path Completion

The first week of May will mark the end of our two year cart path paving project. Rick and his team will work on re-sodding and backfilling areas where it is needed. We look to our membership to treat these areas with respect when operating a golf cart. We continue to see areas where golfers are getting too close to tees and greens with their golf carts, as well as short cutting corners or bends. Our GPS system is a big help with this, but many areas are still seeing cart damage. We ask that players keep all four wheels on the path at tees and greens, as well as refrain from short cutting any corners or bends. Thank you in advance for your cooperation and keeping Wildwood in tip top shape!
