General Manager — Jeff Engelhaupt, PGA**Happy July, members!**

It is hard to believe we are already half way through the year.

If you haven't done so yet, **be sure to sponsor a new member to join.** You will save on your monthly membership dues by doing so! [See our website here for the current membership offer.](#)

We have the annual member-guest, hence forth named **"The War in the Woods"** (thanks to Dee Blankenhorn) scheduled for the first weekend in August. **Signups open on July 5th.** Be sure to get your team in early! We expect a full field and waiting list for this event. Carter Gerwitz made a HUGE step last year with the event and this year will surely top it.

Sunshine has her **Music on the Green** scheduled for July 29th. We hosted a few of these last year with great success! July will also feature a Couples Golf and Parent Child event.

We appreciate your patience over the past month with all of the schedule/hours change due to the numerous youth events we hosted. July is (for the most part) back to normal!

HUGE shoutout to the summer staff this year! They have been a **tremendous help** around the golf shop, grille, and carts. We will be sad to see them go in August.

As a reminder, we would like for you to get your playing partner's names onto the tee sheet by **2:00 PM the day prior to play** or you will risk having your tee time **can-celed**. There are several members at the facility who can help you fill your time if you will be a person or two short!

See you at the club, soon!

Superintendent — Rick Durham

The golf course is slowly coming around. June has been an up and down weather month. Cool nights and low humidity have slowed Bermuda grass from fully waking up. Conditions began to turn around towards the end of the month. A week of rain and humidity have created perfect growing conditions. Aerification on greens went relatively well. On the first day of aerification conditions were perfect and we completed the front nine. However, on day two rain created challenges. We were able to complete and should be healed up and almost back to normal by the first of July. Tees were attempted but the previous dry conditions prevented this from working well. Now that the ground has some moisture, we will re do most of the tees. The beautification project at the 2,3,4,5 area is progressing well. After clearing much of the area, the ditch between 3 and 4 had some erosion issues. We have reshaped and added large rip rap to help stabilize. The surrounding areas will be seeded with fescue as soon as conditions allow. The new path to the forward tee on 6 turned out better than expected. There has been a wall installed and landscaping will continue in that area. Other areas of focus over the summer will be to continue any sod repairs and expand playing areas on smaller tees. I would like to thank all of you for your comments and suggestions. As always, I can be contacted at rdurham@wildwoodgreen.com

Head Golf Professional/Assistant GM — Carter Gerwitz

The Open Championship pool begins on July 6th! Be sure to pay your \$10 entry fee and get a shot at winning some prize money! As a reminder, your NET score from the day you enter into the pool will be combined with Saturday and Sunday's score for a professional who makes the cut. Have a bad round? Don't worry! You always have the chance of being paired with the leader / winner of the tournament! Always remember: you can enter as many times as you like.

If you have been experiencing issues with receiving marketing (events, announcements, etc.) or Clubster emails (course conditions, open tee times) please reach out to me to get that resolved. We want to be sure all of our members are receiving important information about the course! If you have questions, please don't hesitate to email me at carter@wildwoodgreen.com.

Quick Pro tip—DON'T pull the handle to hit down on the ball. Click the image above to find out why!
"Most players try and 'Pull the Handle' through the ball or 'Roll their Hands' at release which actually adds spin & decreases distance. Here's an example of the Tour Release via 'Folding the Club through the golf ball'. It's a lot easier than you think, take a look!"

Big Thank you to Denise Kane
for organizing the **2023 Memorial Tournament**.

June 6, was a perfect day to host our annual Memorial Tournament. Denise Kane did an awesome job of organizing and making it a very memorable event. Kay's Memorial Corner received a lot of visitors during their play. We appreciate Sunshine Stogner, the Wildwood Green Food & Beverage Mgr., for her delicious lunch.

While waiting to hit, players should survey their shot, select their club and stand at their ball ready to go when it is their turn.

Don't forget to enter your scores each week, to keep handicap current.
