General Manager — Jeff Engelhaupt, PGA**Available July 15th, 2023 - August 31st, 2023****Dear Members,**

As we near the end of summer we are excited to announce our 2024 prepayment program! This program is an integral part of our planning process for the upcoming year. It allows us to make improvements to the facility in the off season and helps us plan and prepare for the following calendar year. We hope that you will be able to take advantage of this program and save money on your 2024 dues and services! Prepayment guarantees your rate for the upcoming season. If there is an increase in membership dues in 2024 you will not be assessed the difference if you have pre-paid for the year. Included in this packet is an updated membership rates page for your reference.

Why not take advantage of this opportunity to **SAVE** money on your 2024 dues and professional services? Not only does prepaying lock in your dues and service rate for the coming year, but it also saves you money! The discount offered for prepaying is 10% off. By prepaying your membership dues, you can also prepay for your services and receive the same prepayment discount (excluding GHIN handicap)! The 10% discount is for those members who prepay prior to September 1st! Please note if prepaying with a card, there will be a 3% processing fee. You can avoid that by paying with cash or check.

The 2024 Prepayment Program forms are available in the Golf Shop. See a staff member today! We look forward to another amazing golf season at Wildwood Green Golf Club!

Pre-Pay**2024****And receive a 10%
discount on all dues
& services**Discount does not apply to GHIN Handicap

The first 50 people who prepay are entered to win one of ten, \$25 gift certificates!

July has produced much needed precipitation. Our golf course has been on the dry side for the early part of summer. The irrigation project that we completed last year has been beneficial. By being able to irrigate early in the season we have been able to establish a healthy turf. During the drought, the pond levels dropped, and we had to go on the conservative side of irrigating. With our irrigation pond levels up and a normal summer rain pattern developing I do not foresee any issues for the remainder of the summer. The maintenance team has been busier than ever over these last two months. With the core of our golf course coming into form we will be focusing on our outer edges. We plan to install one more round of sod to correct bare areas in roughs and on cart path edges. Other projects that will be beginning to include continuing landscaping improvements and freshening up sand traps. I would like to thank everyone for their comments and suggestions and as always, you can contact me at rdurham98@gmail.com

Quick Pro tip—DON'T pull the . handle to hit down on the ball. Click the image above to find out why! "Most players try and 'Pull the Handle' through the ball or 'Roll their Hands' at release which actually adds spin & decreases distance.

Here's an example of the Tour Release via 'Folding the Club through the golf ball'. It's a lot easier than you think, take a look!"

Registration is underway for our Fall Semester of the Adult and Junior Operation 36 golfer development program. This program combines in class learning and then actually playing 9 holes to test the golfers ability to score with each golfer beginning from 25 yards and progressing after scoring 36 or better to 50 yards, then 100, 150, 200 and full tee boxes. This is a great family program with adults and juniors in separate classes but then playing together on the course. A few class openings remain so go to raleighgolflessons.com, go to the Adult and Junior Operation 36 page and scroll through the information and join the fun this fall.

Ready to do some assessment of your game and get a plan for improvement in place for the fall and winter? Contact one of our Academy professionals today to get started!!

Hello members!

August is here and hopefully we will have slightly cooler temperatures! Last minute trips and school will be starting back soon. We sadly say goodbye to the girls again, wish them luck in the upcoming school year!

This month we have the very anticipated member/guest weekend! Lots of golf, food and partying! Couples and parent/child golf bring up the end of August with dinner included.

Save the date! We have another Music on the Green August 26th!

I think we have worked out the kinks with ordering food and drinks, but would love suggestions on what food everyone would like to see. Please email me!!

With the girls leaving, if anyone knows someone who would like to work, please send them my info.

As always, my door is open for comments or suggestions!!
