#### Director of Golf — Carter Gerwitz

#### Dear Members,

This holiday season you again have the opportunity to thank the staff at Wildwood Green for their hard work over the past year by donating to the Employee Holiday Fund.

The donation box can be found inside the clubhouse on the golf shop counter and is a great way to thank our exceptional employees for a year of hard work.

Everyone from maintenance to outside services will be included in the distribution and every contribution is greatly appreciated. Please be sure to fill out a donation ticket with your name (no need to record the amount given) so that we can say thank you!

Save time and call in your donation. We can easily take a credit card payment over the phone. Feel free to call us or send an email to teetimes@wildwoodgreen.com.

It is that time of the year where we look to our member's to provide insight and comments on our operation here at Wildwood Green. I would like everyone to follow these links and fill out our individual department surveys.

These comments help us revise and improve our operation, tournaments, and other events in the future to see what the good and the bad is and where we can improve.

As we enter fall and winter, this time of year brings the potential frost delays. A frost delay will occur when frost forms on the turf canopy (putting surfaces) and temperatures are near or freezing. Turf can sustain injury simply by walking across frosted areas. When this occurs, it can be months before the injured area will recover or begin repair. During this time of year, no course setup will be completed until the frost has melted on the turf canopy. Once the conditions are safe for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course set up and release play. As mentioned in the previous newsletter we are also in fallen leaf season. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Just as it takes months to recover from frost injury cart traffic damage on dormant Bermuda can take even longer. There will be more projects that will be underway this month. We will continue renovating bunkers, removing trees and limbing trees. I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve key areas. As always, can be contacted via e-mail at rdurham@wildwoodgreen.com

#### The Golf Academy at Wildwood Green

# November 2023 Newsletter

Coming SOON!!! The Golf Academy at Wildwood Green will be including two new members that you already know. Zach Seabolt and Joe Mullen will be joining the Academy and together we will be able to provide more options to help you be sure you have the right equipment for you and help you have more fun with your golf game.

Our Winter Holiday Gift Certificate special starts November 15th and goes through December 31st. Our special offers are noted on the Gift Certificate page of our website, raleighgolflessons.com. Simply choose the package you wish to purchase from our Lesson Rate page, go to the Shop page and select the base package you wish to purchase and finish the purchase. We will add the extra value and provide you with a Gift Certificate from the Academy for your recipient that can be picked up in the Golf Shop or mailed directly to you or your recipient.

Our programs for 2024 will be updated on our webpage by the middle of December as we know the Wildwood Green schedule of events and the availability of our coaches. There will be a Winter Skills class in February and the Operation 36 spring semester will begin at a date to be announced in March. All registration information will be included in the information.

#### Welcome to the Wolfpack Golf School

Featuring North Carolina State University coaches and players (current and former), the Wolfpack Golf School is entering its 36th year with the continuing purpose of promoting Junior golf and helping develop the talent of young golfers. An outstanding curriculum of practice, play and fun is planned.

Students will participate in different kinds of competition according to skill level and age with each student completing rotations which cover every phase of the game. The full week of golf will include individual and group instruction, video analysis, course strategy and management, rules, psychology, club fitting and tournament preparation.

An outstanding staff of PGA professionals, college coaches, and college golfers has been assembled. Their expert instruction is matched only by their dedication to junior golf.

#### **Skill Level and Accommodations**

All skill levels (beginner, intermediate, and advanced) are welcome at any golf school week. The student's skill level and age are taken into consideration when making groups. The teacher - student ratio is 5:1 which enables the staff to assist students of all skill levels improve their golf fame. We also understand that siblings and friends are in golf school weeks together and every effort is made to accommodate group requests during group instruction time. We expect every student to improve and to have a fun time doing it!

For questions or any other information contact Chip Watson, Director of School Services, at chip@lonniepoolegolfcourse.com

#### Announcements

The last driving range bucket will be sold at the times below and the driving range will open 30 minutes prior to the first tee time. The driving range will have a hard closing 30 minutes after the last bucket is sold. We will follow a rotation between mats and grass, weather, and maintenance dependent.
